

# RIGHT ON PLUS™

## PRODUCT INFORMATION

Revised 10-08-01

**Right On Plus™** is a non-hazardous, non-staining blue liquid colorant designed to be used with pesticide, fertilizer and/or growth regulator tank mixes to assure that these products are applied uniformly, with minimum overlap and no missed areas. It also assures the correct operation of spraying equipment. **Right On Plus** is a dye and will not permanently stain.

### PRECAUTIONARY STATEMENTS:

**NOTICE:** Before using this product read the entire Precautionary Statements, Disclaimer of Warranties, Directions for Use, Use Restrictions and Storage and Disposal instructions. If the Disclaimer of Warranties is not acceptable, return the product unopened within thirty days of purchase to the place of purchase.

**CAUTION:** Keep out of reach of children. IN CASE OF EMERGENCY OR SPILL, Contact Hazmat Response 1 (800) 229-5252.

**Right On Plus** Blue Spray Indicator is **NOT INTENDED FOR USE ON EDIBLE CROPS.**

**On porous surfaces** (e.g. concrete, rocks, stonework, bricks), spot test **Right On Plus** before a general application.

### FIRST AID MEASURES IN CASE OF CONTACT

**Eye Contact** – DO NOT RUB EYES. Immediately flush eyes with large amounts of water for 15 minutes lifting the lower and upper lids. Seek medical attention if necessary.

**Skin Contact** – Remove contaminated clothing and immediately wash affected area with large amounts of water for at least 5 minutes. If irritation or redness persists, seek medical attention as needed.

**If Swallowed** – Give large amounts of water to drink. Seek medical attention if necessary. Induce vomiting only upon advice from a physician.

**Inhalation** – Move individual to fresh air and check to assure adequate respiration. Seek medical attention if necessary.

### STORAGE AND DISPOSAL:

**PROHIBITIONS:** Do not contaminate water, food or feed by storage, disposal or cleaning of equipment.

**STORAGE:** Store in original container only and keep sealed. Store in closed storage area. Use caution when moving, closing or pouring. Do not store below 45°F (7°C). Some settling may occur. Shake container (as practical) before use.

**PRODUCT DISPOSAL:** Improper disposal of excess spray mixtures or rinsate is a violation of federal law. Wastes resulting from use of this product should be disposed of through on-site spray application or at an approved waste disposal facility.

**CONTAINER DISPOSAL:** Triple rinse (or equivalent), then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or other procedures approved by state and local authorities.

According to the office of pesticides and toxic substances of the U.S. E.P.A., no clearance is required under 40 CFR 180.1001 to use **Right On Plus** on non-crop vegetation. The information contained herein is provided for the purpose of disclosing product application and does not constitute product specification regarding which, if any, warranties are expressed or implied. The use of this product is claimed in US Patent No. 5,387,745, other patents pending.

### DIRECTIONS FOR USE:

Application rates will vary due to: turf or vegetation type, height of cut, color and density; the color of the other spray solution components; spray nozzle type, configuration and pressure; total volume of spray solution per acre [ $>85$  gallon/acre ( $>320\text{L}/0.5$  hectare)] may require a higher application rate].

Initial applications should be made at the highest rates. This allows the operator to become familiar with the effect of **Right On Plus** on the turf. In subsequent applications, the **Right On Plus** rates should be adjusted to what is appropriate for the individual operator.

**Right On Plus** may be added anytime during the spray tank filling process. Minimum agitation is suggested. **Right On Plus** may be applied from a separate container.

### APPLICATION RATES:

Equipment	Application	Rate
Boom	Dormant Turf; Greens.....	8-14fl.oz./acre (240-415mL/0.5h)
	Short-Cut Fairways.....	8-14fl.oz./acre (240-415mL/0.5h)
	Long-Cut Fairways.....	16-24fl.oz./acre (475-700mL/0.5h)
Hand Gun	High Vol. [ $>2\text{gal}/1000\text{ft}^2$ ( $>8\text{L}/93\text{m}^2$ )]....	24-32fl.oz./acre (700-950mL/0.5h)
	Low Vol. [ $>1-2\text{gal}/1000\text{ft}^2$ ( $>4-8\text{L}/93\text{m}^2$ )]...	18-24fl.oz./acre (530-700mL/0.5h)
Backpack	Spot spraying or small area coverage with mini boom.....	1fl.oz./gallon (30mL/4L) of solution

Individual operators perceive color differently – adjustments to the rates may be necessary.

Not a Plant Food Ingredient

**LIMITED WARRANTY AND DISCLAIMERS:** J. R. Simplot Company ("Seller") warrants that the product contains ingredients formulated for the purposes stated on this label and are suited for the purpose represented on this label when used in accordance with the directions under normal conditions of use. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED, IMPLIED, OR STATUTORY, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE. Timing, rate and method of application, weather and other conditions, mixtures with chemicals not specifically recommended on this label or any accompanying written recommendation are beyond the control of Seller. Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith. In no case is J. R. Simplot Company liable for consequential, special or indirect damages resulting from the use or handling of this product that is not in accordance with the directions. Buyer further agrees in the event of damages arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product, at Buyer's option, as full discharge of Seller's liability. No one is authorized to make any other warranty, guarantee or directions concerning this product, and no such warranties, guarantees or directions shall be valid or binding upon Seller.
