CA Reg. No. 7001-50018

GENERAL INFORMATION

SPRAY-STICKER™ is a superior sticking agent, intended for use with most crop protection products, in which the label permits the use of a spreader sticker. SPRAY-STICKER™ is compatible in spray solutions with most commercial crop protection, and foliar feed micronutrients. A thin coating of SPRAY-STICKER™ solution, bonds the pesticide to the plant foliage. This decreases the risk of residue erosion from rainfall or irrigation.

KEEP OUT OF REACH OF CHILDREN
