

IOTA T/O™

0-0-1

This Product is Protected by Patent #:
US6,871,446B1

GENERAL DESCRIPTION:

For application to soils for woody perennials, herbaceous annuals & perennials, turf, ornamentals, vegetable & field crops and tree & vine crops.

IOTA T/O may be blended with most fungicides, insecticides, adjuvants or nutrients. Always use in conjunction with **TILTH T/O**. Consult a company representative for technical details. Effective use is gained through applications with a hose-end sprayer.

CAUTION:

Do not place in direct sunlight or store in a heated area.

Enhance further plant growth and development with periodic foliar sprays of **GREEN THUMB T/O at 1 part material to 8-12 parts water. Apply "Fine Mist" spray and repeat every 1-2 weeks throughout the growing season.*

LIMITED WARRANTY:

Manufacturer or seller makes no warranty, whether expressed or implied, concerning the use of this product other than for the purpose indicated on the label. Neither manufacturer nor seller shall be liable for any injury or damage caused by this product due to misuse, mishandling, or any application not specifically described on this label.

GUARANTEED ANALYSIS:

Soluble Potash (K20).....1.0%

Derived from Potassium Sulfate.

Manufactured By:
FUSION 360, Inc
2425 Industrial Rowe
Turlock, California 95380

DIRECTIONS OF USE:

All Plants and All Soils:

In a hose-end applicator place ~1 part **IOTA T/O** + ~15 parts **TILTH T/O**. Apply 1-3 gal combined mix per 1,000 sq ft. Use 3 gal combined mix on the first application of the year or for problem areas and lower rates for maintenance. Repeat every 1-3 months throughout the growing season.

Potted Plants or Plants Held in a Basin:

In a bucket or watering can blend in **IOTA T/O** and **TILTH T/O** at ¼ to ½ oz of each material per gallon of water. Irrigate plants with this mixture at least once every week.

**KEEP OUT OF REACH OF CHILDREN
KEEP OUT OF DIRECT SUNLIGHT AND HEAT**
