WARNING

May cause eye injury. Do not get in eyes. In case of contact with eyes, wash for 15 minutes with water, then get medical attention.

PRECAUTIONARY STATEMENT:

Before using this product, read all precautions, directions for use, conditions of sale limited warranty and limitations of liability and remedies. Avoid contact with formulated product. Do not contact or breathe the spray. Don't take internally. Follow all precautionary statements on this product label and the labels of accompanying pesticides.

IN CASE OF CONTACT:

SWALLOWING - Do not induce vomiting. Immediately contact a physician.

BREATHING - Get to fresh air immediately and call a physician if irritation occurs.

IN THE EYES - Flush eyes for 15 minutes with water and immediately get medical attention.

ON THE SKIN - Wash skin with soap and water. Remove and replace contaminated clothing with clean clothing. If irritation occurs and persists call a physician.

IF CONTACT IS MADE WITH A SPRAY SOLUTION CONTAINING A PESTICIDE, FOLLOW THE "STATEMENT OF PRACTICAL TREATMENT" ON THE PESTICIDE LABEL.

DIRECTIONS FOR USE

1. PENETRATING AGENT:

To assure adequate wetting and spreading of spray solution, use as follows:

- GROUND APPLICATION - 4 to 8 pints per 100 Gallons spray solution.
- AERIAL APPLICATION - 4 to 8 ounces per 1 to 5 Gallons of spray solution.

NOTE: Minimum use level is .5% v/v CONCENTRATION

2. BUFFERING AGENT:

Addition of .5% v/v concentration is usually recommended. Adding Surfoil Plus to the spray solution will usually reduce the pH to the optimum range. The use of a pH meter is recommended to monitor pH. Final spray solution pH should be in the 4-7 range.

3. DEPOSITION AID:

The use of Surfoil Plus in spray solutions produces more uniform spray droplets. Drift is reduced and canopy penetration is enhanced.

- GROUND APPLICATION - 2 to 6 pints per 100 Gallons spray solution.
- AERIAL APPLICATION - 4 to 8 ounces per 1 to 5 Gallons of spray solution.

MIXING:

Clean the mixing and application equipment and carefully follow all cleaning directions on the pesticide label: Fill spray tank one-half full with water and agitate. Add pesticide(s) and/or fertilizer as directed on labels or follow the following sequence.

A. DRY FLOWABLE OR WATER DISPERSIBLE GRANULES

B. WETTABLE POWDER

C. FLOWABLES

D. SOLUTIONS

E. EMULSIFIABLE CONCENTRATES

- Continue filling tank add Surfoil Plus last and maintain agitation.

CAUTION: DO NOT MIX OXIDIZING AGENTS, UNLESS OXIDIZING AGENTS ARE IN SOLUTION.

STORAGE AND DISPOSAL

STORAGE: Store in original container only. Protect product from freezing. Prevent water from being introduced into the contents of this package. Do not use, spill, or store near heat or open flame.

DISPOSAL: Triple rinse container and pour rinsate into the mixing tank. Do not reuse empty container and dispose of it in accordance with state, local and federal regulations. DO NOT REUSE EMPTY CONTAINER FOR ANY PURPOSE.

GENERAL INFORMATION:

Surfoil Plus is a specially formulated blend of nonionic surfactants, buffering agents, and light mineral oil. Surfoil Plus is designed to be mixed into spray solutions with pesticides labeled for agricultural, aquatic, forest and non-cropland uses. Using Surfoil Plus in the spray solution improves wetting and spreading characteristics, makes spray droplets more uniform and buffers spray pH to more optimum levels. Surfoil Plus is compatible with most fertilizers used for foliar feeding.

NOTE: It is not economical to use Surfoil Plus to buffer solutions containing alkaline buffers.

NOTICE: JIMMY SANDERS INC. WARRANTS THAT THE PRODUCT CONFORMS TO ITS CHEMICAL DESCRIPTION AND IS REASONABLY FIT FOR THE PURPOSES STATED ON THE LABEL WHEN USED IN ACCORDANCE WITH DIRECTIONS UNDER NORMAL CONDITIONS OF USE, BUT NEITHER THIS WARRANTY NOR ANY OTHER WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE, EXPRESS OR IMPLIED, EXTENDS TO THE USE OF THIS PRODUCT CONTRARY TO LABEL INSTRUCTIONS, OR UNDER ABNORMAL CONDITIONS, OR UNDER CONDITIONS NOT REASONABLY FORESEEABLE TO JIMMY SANDERS INC. AND BUYER ASSUMES THE RISK OF ANY SUCH USE. JIMMY SANDERS INC. SHALL NOT BE RESPONSIBLE FOR INCIDENTAL OR CONSEQUENTIAL DAMAGES, IF ANY, RESULTING FROM A BREACH OF WARRANTY.
