

Eco Calex® 1-0-0 is an integral part of a complete liquid fertility program. **Eco Calex** is a blend of calcium nitrate and calcium acetate. For maximum results, **Eco Calex** should be used along with other **NutriPack®** products. It is recommended that **Eco Calex** be mixed with **Eco N+®** and **Eco K+®** for maximum performance. **Eco Calex** has a low salt index of 30.

GUARANTEED ANALYSIS:

Total Nitrogen (N)1.0%
1.0% Nitrate Nitrogen
Calcium (Ca)8.0%

Derived From: Calcium nitrate and calcium acetate.

Information regarding the contents and levels of metals in this product is available on the Internet at

DIRECTIONS FOR USE:

Injection System: Start up or initial application of 2-3 gallons (7.5-11 L) per acre (0.5 hectares).

Boom Spray Application: Corrective rate (high sodium conditions) use 16 fl.oz./1,000 ft² (475 mL/93 m²).

Maintenance Rate: Use 6 fl.oz./1,000 ft² (175 mL/93 m²) per week until condition improves. Use best management and practices when applying. Use additional fertilizers as needed based on soil and tissue testing.

COMPATIBILITY WITH OTHER MATERIALS: **Eco Calex 1-0-0** is compatible with most liquid fertilizers, insecticides, fungicides, herbicides and nematicides. Check the compatibility of untried chemical mixes. Always perform a jar test when in doubt.

VOLUMETRIC CONVERSION:

1 fluid oz. of **Eco Calex 1-0-0** = 0.0008 lbs. N, and 0.006 lbs. Ca.

Weight per gallon10.2 lbs./gal

CAUTION: Keep out of reach of children.

STORAGE AND DISPOSAL

Storage: Store in original container only and keep sealed. Do not allow product to freeze. Some settling may occur. Shake container (as practical) before use.

Disposal: Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at www.acrecycle.org. Decontaminated containers may also be disposed of in a sanitary landfill.

LIMITED WARRANTY AND DISCLAIMERS: J. R. Simplot Company ("Seller") warrants that the product contains the ingredients in the amounts stated on this label. THIS WARRANTY IS EXPRESSLY IN LIEU OF ALL OTHER WARRANTIES AND REPRESENTATIONS EXPRESSED, IMPLIED, OR STATUTORY, INCLUDING WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR USE. Timing, rate and method of application, weather and other conditions, mixtures with chemicals not specifically recommended on this label or any accompanying written recommendation are beyond the control of Seller. Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith. In no case is J. R. Simplot Company liable for consequential, special or indirect damages resulting from the use or handling of this product. Buyer further agrees in the event of damages arising from the use of this product to accept a replacement of the product or a refund of the purchase price of the product, at Seller's option, as full discharge of Seller's liability. No one is authorized to make any other warranty, guarantee or directions concerning this product, and no such warranties, guarantees or directions shall be valid or binding upon Seller.

Warning: This product contains a chemical known to the State of California to cause cancer, birth defects or other reproductive harm. Proposition 65, the Safe Drinking Water and Toxic Enforcement Act of 1986, requires notification of potential exposure to substances identified by the State of California as causing cancer, birth defects or other reproductive harm.
