

A Superior Quality Ferrous Sulfate Heptahydrate

GUARANTEED ANALYSIS:

| | |
|--------------------------|-------|
| Sulfur (S) | 12.0% |
| 11.5% Combined sulfur | |
| Iron (Fe)..... | 20.0% |
| 19.0% Water soluble iron | |

Derived from: Ferrous Sulfate Heptahydrate.

Information regarding the contents and levels of metals in this product is available on the Internet at:

<http://www.regulatory-info-jr.com>.

DIRECTIONS FOR USE:

Application rates should be based on tissue or petiole analysis. On plants with waxy leaf surfaces, 12 ounces (355 mL) of a non-ionic wetting agent per 100 gallons (380 L) of finished spray will aid leaf penetration. Add Extreme Green 20 to half of the water, then agitate while adding remaining water. Add urea or other fertilizers. Add herbicides last while continuing to agitate tank contents. Spray solution as soon as possible. Extreme Green 20 tank mixes are generally stable; however, agitate prior to spraying if mix has been standing for over 24 hours. Use sufficient water for good coverage. For optimum results, do not apply water for at least 4 hours following application. Do not apply to flower buds or blossoms of flowers, shrubs and trees.

COMPATIBILITY WITH OTHER MATERIALS:

Extreme Green 16 is most effective when plants are growing rapidly and is least effective when plants are dormant or suffering from stress. Extreme Green 20 is compatible with most pesticides and fertilizers, with the exception of amine-formulation herbicides and high phosphate fertilizers. Do not use in tank mix with high phosphate fertilizers. Tank mixes with amines should not be attempted unless adequate agitation exists. Do not pre-mix Extreme Green 20 with any high-pH herbicides without performing a jar test.

Warning: This product contains a chemical known to the State of California to cause cancer, birth defects or other reproductive harm. Proposition 65, the Safe Drinking Water and Toxic Enforcement Act of 1986, requires notification of potential exposure to substances identified by the State of California as causing cancer, birth defects or other reproductive harm.

PRECAUTIONARY STATEMENTS

CAUTION: Keep out of reach of children.

NOTICE: Before using this product read the entire Precautionary Statements, Disclaimer of Warranties, Directions for Use, Use Restrictions and Storage and Disposal instructions. If the Disclaimer of Warranties is not acceptable, return the product unopened within thirty days of purchase to the place of purchase.

IN CASE OF EMERGENCY OR SPILL, Contact Hazmat Response 1(800)229-5252.

FIRST AID MEASURES IN CASE OF CONTACT

Eye Contact: DO NOT RUB EYES. Immediately flush eyes with large amounts of water for 15 minutes lifting the lower and upper lids. Seek medical attention if necessary. **Skin Contact:** Remove contaminated clothing and immediately wash affected area with large amounts of water for at least 5 minutes. If irritation or redness persists, seek medical attention as needed.

If Swallowed: Give large amounts of water to drink. Seek medical attention if necessary. Induce vomiting only upon advice from a physician.

Inhalation: Move individual to fresh air and check to assure adequate respiration. Seek medical attention if necessary.

STORAGE AND DISPOSAL

Prohibitions: Do not contaminate water, food or feed by storage, disposal or cleaning of equipment.

Storage: Store in original container only and keep sealed. Store in closed storage area. Use caution when moving, closing or mixing.

Product Disposal: Improper disposal of excess spray mixtures or rinsate is a violation of federal law. Wastes resulting from use of this product should be disposed of through on-site spray application or at an approved waste disposal facility.

Container Disposal: Dispose of properly in a sanitary landfill, or other methods approved by state and local authorities.

LIMITED WARRANTY AND DISCLAIMERS:
