PRECAUTIONARY STATEMENTS

Avoid contact with eyes. Harmful if swallowed. Avoid skin contact. Causes eye and skin irritation. In case of contact, wash the affected areas with water immediately and continue washing for fifteen minutes. Call a doctor if irritation persists.

GENERAL INFORMATION

SIR-Factant is a general purpose non-ionic surfactant of the alkylaryl polyethoxyethanol type surface active agents. It can be used with most insecticides, fungicides, herbicides, acaricides, defoliant, desiccants and wettable powders to improve performance of the active spray ingredient by giving them more uniform distribution and better wetting of the plant surface.

Applications	This Product per 100 Gallons of Mix
Insecticides	3 to 8 ounces
Fungicides	3 to 8 ounces
Herbicides	1 to 3 pints
Acaricides	3 to 8 ounces
Defoliant	1 to 2 pints
Desiccants	1 to 2 pints
Wettable powders	1 to 2 pints

DIRECTIONS FOR USE

Variations in conditions of use can cause some variation in the amount of this product required. The minimum required to give a smooth, uniform coverage usually gives the most effective results.

MIXING INSTRUCTIONS

For wettable powders and water soluble materials, add this product in water before adding pesticide to spray tank. For emulsifiable products, add this product after a good emulsion is formed.

CONTAINER DISPOSAL

Do not contaminate water, food or feed by storage and disposal. Follow all governmental procedures for the disposal of agricultural spray solutions. Triple rinse container, empty rinsate into spray tank. Dispose of empty container according to approved local practices. Contact County Agricultural Commissioner for disposal information.

WARRANTY—CONDITION OF SALE

OUR RECOMMENDATIONS FOR USE of this product are based upon tests believed reliable. Follow directions carefully. Timing and method of application, weather and crop conditions, mixtures with other chemicals not specifically recommended, and other influencing factors in the use of this product are beyond the control of the Seller. Buyer assumes all risks of use, storage and handling of this material not in strict accordance with directions given herewith. In no case shall Manufacturer or Seller be liable for consequential, special or indirect damages resulting from the use or handling of this product when such use and/or handling is not in strict accordance with directions given herewith. The foregoing is a condition of sale by the Seller and is accepted as such by the Buyer.
