Lot #:

Directions and General Recommendations

Dilute 2.5 oz. per gallon of water (20 ml per liter of water). Mix thoroughly. Hold sprayer 8 to 12 inches from the area to be treated. Spray until surface is wet. Repeat application when needed. Interior surfaces may be wiped after control. **ANT OUT** may cause discoloration on wooden surfaces, carpets, cloth, etc. Test a small area before application.

PRECAUTIONARY STATEMENTS

Avoid contact with skin, eyes or clothing. In case of contact, immediately flush eyes or skin with plenty of water. Get medical attention if irritation persists. Do not apply to seedlings, leaves, flowers or fruits. Do not apply to run off. Test spray a small area before large scale application.

PERSONAL PROTECTIVE WORK

CLOTHING: Applicators and other handlers of this product must wear: Long sleeved shirt and pants, shoes and socks, protective eyewear and gloves.

LIMITED WARRANTY

Manufacturer or seller makes no warranty, whether expressed or implied, concerning the use of this product other than for the purposes indicated on the label. Neither manufacturer nor seller shall be liable for any injury or damage caused by this product due to misuse, mishandling or any application not specifically described on the label.
