

Principal Functioning Agents:
 Paraffinic petroleum oil and ethoxylated
 nonionic surfactant..... 100%

Surfactant Content..... 40%
 Unsulfonated Oil Residue (UR) Value..... 90% Minimum

Components exempt from the requirement of a tolerance in
 CFR 40 180. 920, 930, 940, 950, 960 & 25B

**KEEP OUT OF REACH OF CHILDREN
 CAUTION**

GENERAL INFORMATION

DIPLOMAT is a low-use rate, petroleum/phytobland oil based adjuvant that enhances performance of spray applications. **DIPLOMAT** replaces traditional crop oil concentrates and is formulated to be used at lower rates.

DIRECTIONS FOR USE

DIPLOMAT increases the effectiveness of pesticides and is designed for use with certain pesticides. Always follow the label of the specific pesticide for detailed adjuvant use directions. **DIPLOMAT** may be used for agricultural, commercial and industrial uses with pesticides labeled accordingly.

The following use rates are considered to be adequate for most applications. Some pesticides may require different rates for optimum effect.

USE RATES

Dilute with water and apply at 0.375 - 0.5 % volume/volume for pesticides suggesting 1% v/v crop oil concentrate.
 (3-4 pints/100 gallons of spray)

Dilute with water and apply at 1 pint per acre for pesticides suggesting 1 quart per acre crop oil concentrate.

For total carrier volumes less than 12 GPA, use 1 pint of **DIPLOMAT** per acre.

MIXING INSTRUCTIONS

Fill spray tank half-full with water. Then add pesticide per label recommendations and continue filling. Add proper amount of **DIPLOMAT** last, and continue agitation.

USE PRECAUTIONS

DIPLOMAT increases the effectiveness of some pesticides. During periods of high temperatures and/or extreme humidity, some pesticides may become more active. It is recommended that a small test area be treated if such conditions prevail. Test areas are also recommended in the treatment of new crop varieties or highly inbred crop lines.

NET CONTENTS: _____

STORAGE & DISPOSAL

Store product in original container. Do not store near heat or open flame. Do not reuse container. Do not contaminate water, food or feed by storage or disposal. Keep packaging closed, securely fastened and upright. Product may suspend in layers if stored below 32°F.

Triple rinse (or equivalent) prior to disposal. Add rinsate to spray tank. Offer container for recycling or dispose of properly according to state and local authorities. If burned, stay out of smoke.

**PRECAUTIONARY STATEMENTS
 HAZARDS TO HUMANS AND DOMESTIC ANIMALS
 CAUTION**

Harmful if swallowed, absorbed through skin or inhaled. Avoid contact with eyes, on skin or clothing. Avoid breathing vapors or spray mist. Remove and wash contaminated clothing before reuse. Wash thoroughly with soap and water and before eating, drinking, chewing gum, using tobacco or using the toilet.

FIRST AID

IF SWALLOWED:

- Call a doctor or poison control center immediately.
- Have person sip a glass of water if able to swallow.
- Do not induce vomiting unless told to by a poison control center or doctor.
- Do not give anything by mouth to an unconscious person.

IF IN EYES:

- Hold eye open and rinse slowly and gently with water for 15 – 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.
- Call poison control center or doctor for treatment advice.

IF ON SKIN:

- Take off contaminated clothing.
- Rinse skin immediately with plenty of water for 15 – 20 minutes.
- Call a poison control center or doctor for treatment advice.

IF INHALED:

- Move person to fresh air.
- If person is not breathing call 911 or an ambulance, then give artificial resuscitation.
- Call a poison control center or doctor for further treatment advice.

NOTICE – READ CAREFULLY

Condition of Sale – Rosen’s, Inc. (and seller) offer(s) this product for sale subject to and buyer and all users are deemed to have accepted the following conditions of sale and warranty.

Warranty Limitation – Rosen’s, Inc. warrants that this product conforms to the chemical description on the label subject to the inherent risks referred to below. Rosen’s, Inc. makes no other express warranties, which extend beyond the description on the label hereof. **THERE IS NO WARRANTY OF MERCHANTABILITY** and there are no warranties, which extend beyond the description on the label hereof.

Inherent Risks – The directions for use of this product are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks associated with use. Buyer assumes all risks associated with use of this product contrary to label directions or resulting from extraordinary conditions.

Limitation of Liability – In no case shall Rosen’s, Inc. be liable for special, indirect or consequential damages resulting from the use or handling of this product and no claim of any kind shall be greater in amount than the purchase price of the product in respect of which damages may be claimed.
