EPA Reg. No. 82052 - 1
EPA Est. No. 82052-GA-1

Manufactured by:
Cutting Edge Formulations, Inc.
5106 Bristol Industrial Way
Buford, GA 30518
(866) 906-WEED

DIRECTIONS FOR USE:

It is a violation of Federal Law to use this product in a manner inconsistent with its labeling.

General information: GREENMATCH O is a broad spectrum weed killer that contains a citrus extract. It is non-selective and controls most annual weeds, both grasses and broadleaves. For best performance, complete coverage of target weeds is necessary. Spray until thoroughly wet. It is recommended for non-food areas such as borders, driveways, sidewalks, around mature trees and ornamentals, around buildings, in greenhouses and around flower beds.

Environmental Conditions: GREENMATCH O is effective over a wide range of environmental conditions. Cool weather will slow the activity of GREENMATCH O but should not affect its performance.

Allow heavy dew to evaporate prior to GREENMATCH O applications. Do not apply if windy conditions exist or a strong threat of rain is expected within 2 hours.

Spray drift management: Do not allow the herbicide solution to contact desirable vegetation as small amounts can cause severe damage to crops and other desirable plants.

Mixing of GREENMATCH O: Fill the spray tank $\frac{1}{2}$ full with clean water. Add any other dry formulations then liquid formulations to the tank. Add GREENMATCH O while agitating. Then fill remainder with water.

Tank Mix Combinations: When GREENMATCH O is used in combination with any other products, refer to the respective product labels for rates and methods of application, proper timing, restrictions and precautions.

Compatibility testing: If the compatibility with another product is not known, a jar test or physical compatibility study should be conducted before tank mixtures are made.

APPLICATION INSTRUCTIONS

Mix this product in clean water and apply to the foliage of vegetation to be controlled. Spray until thoroughly wet.

Small annual weeds: for control of annual weeds less than 6 inches tall, a 1:6 ratio of GREENMATCH O to water; dilute 1 part of GREENMATCH O in 6 parts of water.

Larger annual weeds: for annual weeds above 6 inches tall, use a 1:4 $\frac{1}{2}$ ratio of GREENMATCH O to water; dilute 1 part of GREENMATCH O in 4 $\frac{1}{2}$ parts of water.

Hard to control weeds: for harder to control weeds (for example, weeds with a thick cuticle such as ivy and hard to control perennials), use a 1:3 ratio of GREENMATCH O to water; dilute 1 part of GREENMATCH O in 3 parts of water.

Spray Solutions:

	Amount of GREENMATCH O		
	Desired ratio		
Final Spray Volume	1:6	1:4½	1:3
1 Gal	¼ pt	½ pt	1 qt
10 Gal	½ gal	¾ gal	2 ½ gal

AGRICULTURAL USE REQUIREMENTS

Use this product only in accordance with its labeling and with the Worker Protection Standard, 40 CFR Part 170. This standard contains requirements for the protection of agricultural workers on farms, forests, nurseries, and greenhouses, and handlers of agricultural pesticides. It contains requirements for training, decontamination, notification, and emergency assistance. It also contains specific instructions and exceptions pertaining to the statements on this label about personal protective equipment (PPE), notification to workers, and restricted-entry interval. The requirements in this box apply to uses of this product that are covered by the Worker Protection Standard.

Do not enter or allow worker entry into treated areas during the restricted entry interval (REI) of 4 hours.

PPE required for early entry to treated areas (that is permitted under the Worker Protection Standard and that involves contact with anything that has been treated, such as plants, soil, or water), is:

- Long sleeved shirt and pants
- Shoes plus socks
- Protective eyewear

NON-AGRICULTURAL USE REQUIREMENTS

The requirements in this box apply to uses of this product that are NOT within the scope of the Worker Protection Standard for agricultural pesticides (40 CFR Part 170). The WPS applies when this product is used to produce agricultural plants on farms, forests, nurseries, or greenhouses

Keep children and pets out of the treated area until sprays have dried.

PRECAUTIONARY STATEMENTS
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION: Harmful if absorbed through skin. Causes moderate eye irritation. Avoid contact with skin, eyes, or clothing.

FIRST AID	
If on Skin or Clothing:	<ul style="list-style-type: none">• Take off contaminated clothing.• Rinse skin immediately with plenty of water for 15-20 minutes.• Call a poison control center or doctor for treatment advice.
If in Eyes:	<ul style="list-style-type: none">• Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lens, if present, after the first 5 minutes. Then continue rinsing eye.• Call a poison control center or doctor for treatment advice.
Have the product container or label with you when calling a poison control center or doctor or going for treatment.	

Personal Protective Equipment (PPE): Applicators and other handlers must wear:

- Long sleeved shirt and pants
- Shoes plus socks
- Protective eyewear

Follow manufacturer's instructions for cleaning and maintaining PPE. If no such instructions for washables exist, use detergent and hot water. Keep and wash PPE separately from other laundry.

<p>User Safety Recommendations • User should:</p> <ul style="list-style-type: none">• Wash hands before eating, drinking, chewing gum, using tobacco or using the toilet.• Remove clothing immediately if product gets inside. Then wash thoroughly and put on clean clothing.
--

PHYSICAL AND CHEMICAL HAZARDS: Combustible: Do not use or store near heat or open flame.

ENVIRONMENTAL HAZARDS:

Do not apply directly to water, or to areas where surface water is present or to intertidal areas below the mean high water mark. Do not contaminate water when disposing of equipment washwater or rinsate.

<p>STORAGE AND DISPOSAL</p> <p>DO NOT CONTAMINATE WATER, FOOD OR FEED BY STORAGE OR DISPOSAL.</p>

Pesticide Storage: store in a cool, dry place and in such a manner to prevent cross contamination with other pesticides, fertilizers, food and feed. Store in original container and out of the reach of children, preferably in a locked storage area.

Pesticide Disposal: wastes resulting from the use of this product may be disposed of on site or at an approved waste disposal facility.

Container Disposal: DO NOT reuse any part of this packaging. Dispose of all containers and packaging in a sanitary landfill, by incineration, or if allowed by state and local authorities, by burning. If burned, stay out of smoke.

CONDITIONS OF SALE AND WARRANTY

The **Directions For Use** of this product reflects the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness or other unintended consequences may result, because of factors such as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of Cutting Edge Formulations or the Seller. To the extent consistent with applicable law, all such risks are assumed by the Buyer.

To the extent consistent with applicable law, Cutting Edge Formulations warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the **Directions For Use**, subject to the inherent risks, referred to above. To the extent consistent with applicable law, Cutting Edge Formulations makes no other express or implied warranty of fitness or merchantability or any other express or implied warranty. To the extent consistent with applicable law, in no case shall Cutting Edge Formulations or the Seller be liable for consequential, special or indirect damages resulting from the use or handling of this product. To the extent consistent with applicable law, Cutting Edge Formulations and the Seller offer this product, and the Buyer and user accept it, subject to the foregoing **Conditions of Sale and Warranty** which may be varied only by agreement in writing signed by a duly authorized representative of Cutting Edge Formulations.
