TEL: (623) 872-1120

Application Recommendations:

We recommend the following general application rates. Rate may need to be modified depending on local conditions.

Agriculture - Use 750 lbs. to 1500 lbs. per acre.

Orchard & Vineyards - Apply two cups of fertilizer for every one inch diameter of tree or vine. Apply to drip line and work into soil; water thoroughly. Apply every two months during the growing season.

Turf - Apply 18 lbs. to 36 lbs. per 1,000 sq. ft.

Shrubs - Work 1 cupful into soil around drip line of plant.

Precautionary Statement:

May be harmful if swallowed or inhaled. Call physician at any sign of problems from using the contents of this package. Store in a dry place away from children and pets. Wash hands after use.

Net Weight 50 lb. (22.68 kg)
