CAUTION

GENERAL INFORMATION

VERSA MAX-Soybean is a dynamic mixture of macro & micronutrients that can be applied in a versatile manner - as a foliar application or in row starter/side dress applications. **VERSA MAX-Soybean** is designed for use in soybeans, but can be used in other food and fiber crops that have similar nutritional requirements.

APPLICATION RECOMMENDATIONS

VERSA MAX-Soybean is intended to be used as a supplement to a standard fertility program. **VERSA MAX-Soybean**, used according to the following recommendations, will improve plant health by providing efficient delivery of nitrogen (N) and essential micronutrients (S, Fe, Mn, Zn) as part of a total fertility program that will decrease plant stresses and increase potential for maximum genetic expression of crops.

Foliar Applied:

Apply 1 to 2 quarts/acre prior to or immediately after nutrient deficiency symptoms occur to prevent further yield loss potential. For ground applications use a water carrier volume of 10 GPA minimum or 5 GPA for aerial applications. In severe nutrient deficient crops, a second application should be made two weeks after initial application.

TANK MIXING INSTRUCTIONS WITH PESTICIDES

1. Fill tank ½ full of water.
2. Add AMS based water conditioner adjuvants and other tank mix adjuvants (as needed), agitate.
3. Pour in desired rate of **VERSA MAX-Soybean**, continue agitation.
4. Add pesticides per label, continue agitation.
5. Finish filling tank.

Soil Applied:

Apply 1 to 2 quarts/acre – Most effective results are obtained when **VERSA MAX-Soybean** is applied in row starter fertilizer at the time of planting.

TANK MIXING INSTRUCTIONS WITH FERTILIZERS

1. Fill tank at least ½ full of liquid fertilizer.
2. Pour in desired rate of **VERSA MAX-Soybean** while agitating.
3. Finish filling tank with liquid fertilizer with agitation running.
4. If needed, add other chemicals after the **VERSA MAX-Soybean** - fertilizer mix has been prepared.

NOTES

All micronutrient blends can potentially antagonize pesticides and tank mixes. Consult all tank mix product labels prior to adding **VERSA MAX-Soybean** to tank.

Weight Per Gallon: 10.8 pounds

STORAGE & DISPOSAL

Store product in original container. Do not store near heat or open flame. Do not reuse container. Do not contaminate water, food or feed by storage or disposal. Keep packaging closed, securely fastened and upright. Product may suspend in layers if stored below 20°F.

Triple rinse (or equivalent) prior to disposal. Add rinsate to tank. Offer container for recycling or dispose of properly according to state and local authorities. If burned, stay out of smoke.

PRECAUTIONARY STATEMENTS

HAZARDS TO HUMANS AND DOMESTIC ANIMALS

CAUTION

May be harmful if swallowed, inhaled or absorbed through skin. May cause eye and skin irritation. Avoid contact with eyes, skin and clothing. Avoid contact with open cuts or sores. Avoid breathing vapors. Use with adequate ventilation. Eye protection and gloves are suggested when handling undiluted product. Wash thoroughly after handling and using this product. In case of contact, flush with water. Get medical attention for eyes. Product users should avoid prolonged or repeated skin contact by wearing impervious gloves, long sleeve shirt, long pants, socks and rubber boots. Splash-proof safety goggles for eye protection are recommended.

FIRST AID

IF SWALLOWED:

- Drink plenty of water if conscious. Call a physician or poison control center immediately for advice on inducing vomiting. Do not induce vomiting or give anything by mouth to an unconscious person.

IF IN EYES:

- Immediately flush eyes with plenty of water. Continue flushing for at least 15 minutes and call a physician if irritation persists.

IF ON SKIN:

- Flush affected skin with water. Remove all contaminated clothing. Launder clothing before reuse.

IF INHALED:

- Remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen and call a physician.

NOTICE – READ CAREFULLY

Condition of Sale – Rosen's, Inc. (and seller) offer(s) this product for sale subject to and buyer and all users are deemed to have accepted the following conditions of sale and warranty.

Warranty Limitation – Rosen's, Inc. warrants that this product conforms to the chemical description on the label subject to the inherent risks referred to below. Rosen's, Inc. makes no other express warranties, which extend beyond the description on the label hereof. **THERE IS NO WARRANTY OF MERCHANTABILITY** and there are no warranties, which extend beyond the description on the label hereof.

Inherent Risks – The directions for use of this product are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks associated with use. Buyer assumes all risks associated with use of this product contrary to label directions or resulting from extraordinary conditions.

Limitation of Liability – In no case shall Rosen's, Inc. be liable for special, indirect or consequential damages resulting from the use or handling of this product and no claim of any kind shall be greater in amount than the purchase price of the product in respect of which damages may be claimed.
