PRECAUTIONARY STATEMENTS

CAUTION

BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITION OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.

May be harmful if swallowed, inhaled, or absorbed through skin. May cause eye irritation. Avoid breathing dust or spray mist. Avoid contact with skin, eyes, and clothing. Do not apply this product in such a manner as to directly expose workers or other persons. In addition, follow precautionary statements on accompanying product's label(s).

WHAT TO DO IN CASE OF CONTACT:

IF INHALED: Move to fresh air. See a physician if irritation persists.

IF SWALLOWED: Give a large amount of water to drink, make person vomit and immediately call a physician. Do not induce vomiting or give anything by mouth to an unconscious person.

IF IN EYES: Immediately flush eyes with clean water for at least 15 minutes. Call a physician if irritation persists.

IF ON SKIN: Remove contaminated clothing and wash skin with soap and water. Call a physician if irritation persists.

If contact is made with a spray solution containing pesticides, follow the "Statement of Practical Treatment/ First Aid" on the product(s) label(s).

STORAGE AND DISPOSAL

Store in original container only. Keep packages tightly closed and do not allow water to be introduced to container contents. Do not store this product near heat or open flame. This product may freeze at temperatures less than 30°F. Thawing occurs readily at temperatures greater than 32°F.

Container Disposal: Empty packaging should be offered for recycling or disposal in accordance with Federal, State and Local authorities. If packaging is burned, stay out of smoke.

For help in chemical emergencies involving spill, leak, fire or exposure, call toll free 1-800-424-9300.

GENERAL INFORMATION

ASSET® FA is a product designed to enhance the solubility and absorption of plant nutritional products. In addition, **ASSET® FA** may improve the fertilizer spray mix compatibility.

When used in conjunction with sound fertility practices, **ASSET® FA** may improve the quality and production for a wide range of agricultural, ornamental, and turf applications.

NOTE: This product is not a fertilizer and should not be used as a substitute for fertilizer.

SPRAY MIX COMPATIBILITY

ASSET® FA is compatible with a wide range of fertilizer and pesticide products. Good agitation must be maintained for those applications that contain pesticides. Always check compatibility prior to mixing and apply any pesticide spray mixes as soon as possible. In the event of pesticide mixing problems, the addition of a compatibility agent, such as

BLENDX® VHC is recommended.

NOTE: Nutritional products containing zinc, manganese, or iron should be diluted with 1 - 2 parts water prior to adding **ASSET® FA**.

MIXING SEQUENCE

1. Water
2. Fertilizer
3. **ASSET® FA**
4. Compatibility agent (if needed)
5. Pesticides

APPLICATIONS WITH SOIL APPLIED FERTILIZER

For in-furrow, banded, side dressed and broadcast applications through conventional equipment, apply **ASSET® FA** in conjunction with and/or following the application of

Disclaimer: Always refer to the label on the product before using Helena or any other product.

fertilizer. **ASSET® FA** should be used at the rate of 1 - 6 pints per acre. Best results are obtained when **ASSET® FA** is incorporated, injected, or applied alone in a zone or band in the soil at a minimum depth of two (2) to four (4) inches.

APPLICATIONS WITH DRY GRANULAR FERTILIZERS

ASSET® FA may be directly impregnated on dry granular fertilizers that are composed of at least 50% urea, ammonium nitrate, or ammonium phosphates. Apply sufficient **ASSET® FA** to provide 1 - 6 pints per acre when the treated fertilizer is applied at the recommended rate. Dry granular fertilizers treated with **ASSET® FA** have an indefinite shelf life.

TRANSPLANT SOLUTIONS

Mix 1 - 4 qt. with each 100 gallons of transplant solution that is applied over one acre. Consult your HELENA Dealer for additional information.

CONDITIONS OF SALE - LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale-Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full price will be refunded.

The directions on this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions, or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or the seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
