

## SPECIMEN LABEL

# TRACITE® STRIKE ZONE® 18-0-0

### GUARANTEED ANALYSIS

Total Nitrogen (N)	18.00%
18.00% Ammoniacal Nitrogen	
Sulfur (S)	20.00%
20.00% Combined Sulfur	
Plant Nutrients derived from ammonium sulfate	
Also contains nonplant food ingredient: 9.0% Guarana polysaccharides	
Patents 5,705,173 and 5,824,797	

KEEP OUT OF REACH OF CHILDREN

## CAUTION

See Inside Panel for Additional Precautionary Statements.

CASN 0598/0998

NET CONTENTS:

NET WEIGHT: 45 lbs. (20.40 kg)

### PRECAUTIONARY STATEMENTS

## CAUTION

BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.

Formulated product may cause skin and eye irritation. Do not get in eyes, on skin, or on clothing. May be harmful if swallowed or absorbed through skin. Avoid breathing dust or spray mist. Do not apply this product in such a manner as to directly or through drift expose workers or other persons. Drift minimization is the responsibility of the applicator. Always consult your local and state agricultural authorities for information regarding avoiding or minimizing spray drift. In addition, follow precautionary statements on accompanying pesticide label(s).

### WHAT TO DO IN CASE OF CONTACT:

**If Inhaled:** Move victim to fresh air. Give artificial respiration if needed. See a physician.

**If Swallowed:** Give a large amount of water to drink, make person vomit and immediately call a physician. Do not induce vomiting or give anything by mouth to an unconscious person.

**If in Eyes:** Immediately flush eyes with clean water for at least 15 minutes. Call a physician if irritation persists.

**If on Skin:** Remove contaminated clothing and wash skin with soap and water. Call a physician if irritation persists.

If contact is made with a spray solution containing pesticides, follow the "Statement of Practical Treatment/ First Aid" on the pesticide label(s).

Spray solutions treated with **TRACITE® STRIKE ZONE®** that are spilled may produce surfaces that are quite slippery. Caution should be observed in such situations.

**AFTER USE:** Spray application equipment should be thoroughly rinsed and flushed with a tank cleaning agent.

### STORAGE AND DISPOSAL

Store in original package only. Keep packages tightly closed and do not allow water to be introduced to container contents. Do not store this product near heat or open flame.

**Container Disposal:** Empty packaging should be offered for recycling or disposal in accordance with Federal, State, and Local authorities. If packaging is burned, stay out of smoke.

For help in chemical emergencies involving spill, leak, fire or exposure, call toll free 1-800-424-9300.

### GENERAL INFORMATION

**TRACITE® STRIKE ZONE®** is a highly soluble source of nitrogen and oxidized sulfur useful in the correction of plant nutritional deficiencies. In addition, **TRACITE® STRIKE ZONE®** contains components that reduce run-off and improve deposition of the applied spray mixture.

### DIRECTIONS FOR USE

**Ground application:** For total spray volumes of less than 12 gallons per acre: Use 8-12 pounds of **TRACITE® STRIKE ZONE®** per 100 gallons of total spray volume.

For total spray volumes over 12 gallons: Use 12-14 pounds of **TRACITE® STRIKE ZONE®** per 100 gallons of total spray volume.

**Aerial Application:** Use 14-18 pounds of **TRACITE® STRIKE ZONE®** per 100 gallons of total spray volume.

The addition of an nutritional products to some pesticides may cause phytotoxicity to the foliage and/or fruit of susceptible crops or non targeted vegetation. Prior to the addition of **TRACITE® STRIKE ZONE®** to a spray mix, the user or application advisor must have experience with the combination or must have conducted a phytotoxicity trial.

### MIXING

**IMPORTANT:** Always add **TRACITE® STRIKE ZONE®** as the first component of a spray tank mixture before other nutritionals or pesticides.

Prior to any pesticide or fertilizer application all spray mixing equipment must be cleaned. Carefully observe all cleaning directions on the pesticide label.

Fill the spray or mix tank one third to one half full of water and begin agitation. Slowly add the recommended amount of **TRACITE® STRIKE ZONE®** and mix until product is completely dissolved. Add the remaining amount of water while maintaining agitation. After adding **TRACITE® STRIKE ZONE®**, add pesticides and/or fertilizers as directed by labeling or in the following sequence:

1. Compatibility agents
2. Dry flowables or water dispersible granules
3. Wettable powders
4. Flowables
5. Water based solutions
6. Emulsifiable concentrates
7. Spray adjuvants
8. Others

Terminology on this label is consistent with definitions approved by Subcommittee E-35.22 on Pesticide Formulations and Application Systems under the jurisdiction of ASTM Subcommittee E-35.

### CONDITIONS OF SALE - LIMITED WARRANTY

### AND LIMITATIONS OF LIABILITY AND REMEDIES

**Read the Conditions of Sale - Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.**

The directions on this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
