## CONCENTRATED POTASH SOLUTION AND OXIDIZED SULFUR

### GUARANTEED ANALYSIS:

Soluble Potash (K<sub>2</sub>O) .....21.00%  
Sulfur (S).....13.00%  
13.00% Combined Sulfur (S)  
Derived from potassium thiosulfate.

KEEP OUT OF REACH OF CHILDREN

### CAUTION

See Inside Panel for Additional Precautionary Statements.

SN 091305/0607

FREEZING TEMP. 30°F

NET CONTENTS:

☐ 5 gal (18.93 L)  
Net Wt: 57.4 lbs (26.0 kg)

☐ 250 gal (946.25 L)  
Net Wt: 2,867.5 lbs (1,300.7 kg)

☐ Bulk \_\_\_\_\_  
WEIGHT PER GALLON: 11.47 lbs (5.20 kg)

Information about the components of this lot of fertilizer may be obtained by writing to Helena Chemical Company, 225 Schilling Boulevard, Suite 300, Collierville, TN 38017 and giving the lot number which is found on the container.

Information regarding the contents and levels of metals in this product is available on the Internet at <http://www.aapfco.org/metals.htm>.

PRECAUTIONARY STATEMENT

### CAUTION

BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE - LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES. Avoid contact with formulated product. Do not take internally. Avoid contact with or inhalation of the spray mist. If product is being mixed with pesticides and/or spray adjuvants, follow all precautionary statements on the accompanying product(s) labeling.

#### WHAT TO DO IN CASE OF CONTACT:

**IF SWALLOWED:** Give large amounts of water and get medical attention immediately. If vomiting occurs, keep head lower than hips to prevent aspiration.

**IF IN EYES:** May cause irritation. Wash eyes immediately with large amounts of water. Get medical attention if irritation persists.

**IF ON SKIN:** May cause mild irritation. Remove contaminated clothing and wash exposed area with large amounts of water. Obtain medical attention if irritation persists.

**IF INHALED:** May cause irritation. Move person to fresh air and obtain medical attention if irritation persists.

If there is contact made with a spray solution containing pesticides, follow the "Statement of Practical Treatment/First Aid" on the pesticide label.

#### STORAGE AND DISPOSAL

Keep container tightly closed and do not allow water to be introduced into it. Store in a dry place. Temperatures below 25°F may result in product crystallization. The product will readily reconstitute, however, with warmer temperatures and gentle agitation of the container.

Do not contaminate water sources by cleaning of equipment or disposal of spray waste.

Dispose of empty containers by triple rinsing with detergent solution or puncture and discard empty containers in a landfill in accordance with current local, state, and federal regulations.

#### GENERAL INFORMATION

TRACITE® 0-0-21 is a highly concentrated water-based solution of potash and oxidized sulfur useful in the correction of nutritional deficiencies in plants. The unique

## SPECIMEN LABEL

formulation of TRACITE® 0-0-21 provides a non-corrosive liquid that is stable at cold temperatures. Applications of TRACITE® 0-0-21 through mixing, application, and irrigation equipment may reduce the rate and degree of corrosion that occurs when this equipment is exposed to fertilizer solutions. In addition, TRACITE® 0-0-21 contains components that reduce the surface tension of spray application water that is applied with it. Such reductions may improve the permeability of the applied spray solution on hard to wet soils.

#### APPLICATION AND MIXING GUIDE

Application rates for general use are 2-6 gallons per acre.

#### MIXING:

TRACITE® 0-0-21 provides a neutral or slightly acidic pH value when diluted with water. This characteristic makes it compatible with most pesticides. In any mixing operation, TRACITE® 0-0-21 should be introduced in the following sequence:

1. Water

2. TRACITE® 0-0-21

3. Other Fertilizer Products

4. Pesticides

5. Spray Adjuvants

Compatibility tests are always recommended prior to preparing a spray mixture of TRACITE® 0-0-21 with other products.

#### CONDITIONS OF SALE - LIMITED WARRANTY

#### AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale - Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.

This label is believed to be reliable and should be followed carefully. Injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of

this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or

2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
