PRECAUTIONARY STATEMENTS

CAUTION

BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE AND LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.

Harmful if swallowed, inhaled or absorbed through skin. Avoid breathing vapors or spray mist. Avoid contact with skin, eyes, or clothing. Do not apply this product in such a manner as to directly or through drift expose workers or other persons.

WHAT TO DO IN CASE OF CONTACT:

If Swallowed: Call a physician or Poison Control Center. Drink 1 or 2 glasses of water and induce vomiting by touching back of throat with finger. If person is unconscious, do not give anything by mouth and do not induce vomiting.

If on Skin: Wash with plenty of soap and water. Get medical attention if irritation persists.

If Inhaled: Remove victim to fresh air. If not breathing, give artificial respiration, preferably mouth-to-mouth. Get medical attention.

If in eyes: Flush eyes with plenty of water. Call a physician if irritation persists.

STORAGE AND DISPOSAL

Store in original container only. Keep container tightly closed. Do not allow water to be introduced into the contents of this container. Do not contaminate water sources by runoff from cleaning of equipment, disposal of equipment washwaters or spray waste. Do not store near heat or open flame. Do not store with oxidizing agents or ammonium nitrate.

CONTAINER DISPOSAL: Triple rinse (or equivalent) and add rinsate to spray tank, then offer for recycling or reconditioning, or puncture and dispose of according to state and local authorities. If burned, stay out of smoke.

For help in chemical emergencies involving spill, leak, fire or exposure, call toll free 1-800-424-9300.

GENERAL INFORMATION

PRO-MATE® SOAKER® is a proprietary blend of biodegradable surfactants designed to improve the penetrating and wetting properties of water when applied to turf. **PRO-MATE® SOAKER®** is designed to be safe for application to new or existing turf and improves the uniform movement of water into the rootzone of soils. **PRO-MATE® SOAKER®** is non-phytotoxic to plants and is not harmful to animals when used as recommended.

DIRECTIONS FOR USE

GOLF COURSES (Greens, Tees, and Fairways) AND ATHLETIC FIELDS

For maintenance: Apply 4 ounces of **PRO-MATE® SOAKER®** per 1000 square feet in 2 gallons of water. Apply monthly, starting one month before the onset of stress conditions. Irrigate before next mowing, or leave baskets off to ensure that **PRO-MATE® SOAKER®** makes contact with soil. (It does not need to be watered in immediately after application.)

LAWNS - GENERAL TURF

For maintenance: Apply 4 ounces of **PRO-MATE® SOAKER®** per 1000 square feet in 2 gallons of water. Reapply monthly as needed.

For curing stress problems: Apply 6 ounces of **PRO-MATE® SOAKER®** per 1000 square feet in 2 gallons of water. Reapply weekly at 6 ounces per 1000 square feet as necessary.

SEEDING

PRO-MATE® SOAKER® may enhance the uniform germination of turf seed by improving drainage and water availability in treated soils. Apply **PRO-MATE® SOAKER®** at 2 ounces per 1000 square feet in 2 gallons of water to the surface of areas to be seeded.

SODDING

Apply 4 ounces of **PRO-MATE® SOAKER®** per 1000 square feet in 2 gallons of water after laying the sod.

CONDITIONS OF SALE - LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale - Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.

The directions on this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
