GENERAL INFORMATION

SAPONYN® is a natural wetting agent designed to reduce the surface tension and improve the wetting of agricultural sprays. It improves water penetration and can be used to move spray solutions into the soil solution.

SUGGESTED DIRECTIONS

SOIL: Use 1 pint (16 oz.) per acre.

ROW CROPS: Mix with starter or side dress fertilizer. Can also be metered into first irrigation water.

TREES and VINES: Dilute in sufficient water for coverage and spray soil surface to be irrigated or meter into first irrigation water.

TRANSPLANTS: Mix with transplant water to apply 1 pint (16 oz.) per acre.

PLANTS: Use 2 fluid ounces per 100 gallons of water to reduce surface tension and improve wetting in agricultural sprays.

* If foaming is a problem, use an anti-foam agent in the spray formulation or fertilizer solution.

CONDITIONS OF SALE-LIMITED WARRANTY

AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale - Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.

This label is believed to be reliable and should be followed carefully. Injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential

Disclaimer: Always refer to the label **on the product** before using Helena or any other product.
