HIGH CONCENTRATE LAKE COLORANT

MANUFACTURED FOR
HELENA CHEMICAL COMPANY
225 SCHILLING BOULEVARD, SUITE 300
COLLIERVILLE, TENNESSEE 38017

GENERAL INFORMATION

MAKO™ is essential for maintaining the natural beauty of contained bodies of water. **MAKO™** may be used as an aquatic colorant or an aquatic spray pattern indicator. Using **MAKO™** within suggested rates will not harm fish or other animals. Swimming and other recreation sports are approved during and following use of this product. Do not use this product in waters not completely controlled by the user, such as ponds with outflows, rivers and streams. **MAKO™** may be applied to water used for irrigation, but not for direct human consumption.

AQUATIC COLORANT USE

MAKO™ will turn off-colored water to an attractive, natural blue. Use **MAKO™** to color contained bodies of water, including water hazards, ponds, small lakes and fountains - anywhere you need your ornamental water to be the center of attention. Determine the volume of water to be treated. Use the rate chart to find the amount of **MAKO™** to use. Vary rates accordingly for darker or lighter water color. Pour **MAKO™** from several locations near the shoreline for optimal color coverage.

AQUATIC COLORANT USE RATES

| AREA TO BE TREATED | RATE OF USE |
|---------------------|------------------|
| 1 acre foot*/1234 m | 8 Oz./ 24 liters |
| 4 acre feet/4934 m | 1 Qt./ 95 liters |

*1 acre foot = 1 surface acre, 1 foot deep or 325,857 gallons of water

AQUATIC SPRAY PATTERN INDICATOR

To mark emerged weeds during aquatic weed control applications, use **MAKO™** at suggested rates. Treated weeds will be conveniently marked with a blue color indicating herbicide application. The applicator may vary the intensity of the mark by adjusting the use rate. Colored water resulting from overspray may occur.

AQUATIC SPRAY PATTERN INDICATOR

| TANK SIZE | SUGGESTED AMOUNT |
|-------------|-----------------------------------|
| 1 gallon | 1/8 oz./4 milliliters |
| 30 gallons | 1.5 - 2.5 oz./44 - 74 milliliters |
| 100 gallons | 4 - 6 oz./ 12 - .18 liters |

Note: Independent laboratory testing for toxicity to rainbow trout, bluegill or water flea, as well as acute oral toxicity, acute dermal toxicity, primary dermal irritation, primary eye irritation, ames assay, and dermal sensitization has certified **MAKO™** as a non-irritant and/or non-toxic.

Disclaimer: Always refer to the label on the product before using Helena or any other product.

This product is non-toxic under OSHA standard 29 CFR 1910.1200 and SARA Title III. According to the U.S. Environmental Protection Agency, Office of Pesticides and Toxic Substances, no clearance is required of this product under 40 CFR 180.1001 for use on non-food crops.

CONDITIONS OF SALE - LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale - Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded.

The directions on this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
