PRECAUTIONARY STATEMENTS

CAUTION

BEFORE USING THIS PRODUCT, READ ALL PRECAUTIONS, DIRECTIONS FOR USE, CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES.

Avoid contact with formulated product. Do not take internally. Avoid contact with or inhalation of the spray mist. If product is being mixed with pesticides and/or spray adjuvants, follow all precautionary statements on the accompanying product(s) labeling.

WHAT TO DO IN CASE OF CONTACT:

IF SWALLOWED: If conscious, rinse mouth and give 1 to 2 glasses of water to drink. Only induce vomiting if instructed to do so by a physician or poison control center. Seek medical attention.

IF ON SKIN: Remove contaminated clothing. Wash affected area with plenty of soap and water. Get medical attention if irritation occurs.

IF INHALED: Move to fresh air. If irritation persists, seek medical attention.

IF IN EYES: Flush eyes with plenty of water, continuing for at least 15 minutes while holding the eyelids apart. If irritation persists, seek medical attention.

If there is contact made with the spray solution containing pesticides and/or spray adjuvants, follow the "Statement of Practical Treatment/First Aid" on the product(s) labeling.

STORAGE AND DISPOSAL

Keep container tightly closed. Do not allow water to be introduced to the contents of this container. Do not contaminate water sources by cleaning of equipment or disposal of waste.

Dispose of empty containers by triple rinsing with detergent solution and adding rinsate to spray tank, then offer containers for recycling or puncture and discard empty containers in a landfill in accordance with current local, state and federal regulations. For help in chemical emergencies involving spill, leak, fire or exposure, call toll-free 1-800-424-9300.

GENERAL INFORMATION

KickStand® Zn 8 is compatible with polyphosphate and orthophosphate fertilizer solutions.

KickStand® Zn 8 is a micronutrient solution containing 8% zinc. It is designed to correct deficiencies of zinc. KickStand® Zn 8 can be applied in the soil to vegetables, fruits, row crops, deciduous fruit and nut trees, and commercial turf and ornamentals.

APPLICATION AND MIXING GUIDE

Rate of application is 1 to 2 quarts per acre. KickStand® Zn 8 may be mixed directly into a fertilizer solution without pre-dilution of water. The timing of applications are dependent on local conditions and should always be made as a result of soil and/or plant tissue analysis. For specific use recommendations, consult your local Helena Chemical Company representative or your local agricultural extension agent.

KickStand® Zn 8 may be applied by ground application. Use enough carrier for thorough uniform coverage of the soil.

MIXING: In any mixing operation, KickStand® Zn 8 should be introduced in the following sequence:

- 1) Water
- 2) KickStand® Zn 8
- 3) Other Fertilizers or Pesticides

In mixtures where compatibility agent is suggested, a product such as BLENDEX® VHC is recommended. Local climatic conditions, infestations, and other factors affect the performance of any insecticide, fungicide and nutritional spray.

CONDITIONS OF SALE-LIMITED WARRANTY AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale-Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full price will be refunded.

This label is believed to be reliable and should be followed carefully. Injury to the crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of Helena Chemical Company (the "Company") or seller. In addition, failure to follow label directions may cause injury to crops, animals, man or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind, express or implied, concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law.

The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at Helena Chemical Company's election, one of the following:

1. Refund of the purchase price paid by buyer or user for product bought, or
2. Replacement of the product used

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company and the seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
