GENERAL: TREKKER TRAX® is a superior foam marker, a unique blend of ingredients for producing thick, long-lasting foam. TREKKER TRAX has been formulated to work over a wide range of water hardness, mineral content and impurities. TREKKER TRAX foam should be deposited to the ground in large blobs rather than in narrow streaks; this sometimes may necessitate increasing the diameter of the hose extending from the end of the boom.

DIRECTIONS FOR USE: Foam generating equipment should be cleaned with an agricultural cleaner (i.e., Tank & Equipment Cleaner) before introducing TREKKER TRAX.

Bottom fill tanks: add TREKKER TRAX to clean water at the start of filling.

For top filling: TREKKER TRAX should be added to clean water when tank is 1/2 full. The fill hose should be below the water level until filling is completed. The air pressure (15-35 psi) should be adjusted to produce thick, fine bubble foam. TREKKER TRAX is to be mixed with water at approximately 1% of concentration.

Soft water: 2 to 3 pints (1.0 to 1.5 litres) TREKKER TRAX in 30 to 40 gallons (100 to 150 litres) of water.

Medium and Hard water: 3 to 4 pints (1.5 to 2.0 litres) of TREKKER TRAX in 30 to 40 gallons (100 to 150 litres) of water. If foam consistency is poor at the 4 pint (2 litre) level, check for a malfunction or contamination in the foam generating system.

STORAGE AND DISPOSAL

STORAGE: Store in cool, dry place. Store in original container. Keep tightly closed. Do not reuse empty container.

DISPOSAL: Do not contaminate water, food or feed by storage or disposal. Dispose of contents/container on-site or at an approved waste disposal facility. Triple rinse (or equivalent) adding rinse water to spray tank. Offer container for recycling or dispose of container in sanitary landfill, or by other procedures approved by appropriate authorities.

For help with any spill, leak, fire or exposure involving this material, call day or night CHEMTREC 1-800-424-9300.

CONDITIONS OF SALE AND LIMITATION OF WARRANTY AND LIABILITY

BEFORE BUYING OR USING THIS PRODUCT, read the Directions for Use and the following Conditions of Sale and Limitation of Warranty and Liability. By buying or using this product, the buyer or user accepts the following Conditions of Sale and Limitation of Warranty and Liability, which no employee or agent of LOVELAND PRODUCTS, INC. or the seller is authorized to vary. LOVELAND PRODUCTS, INC. warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated in the Directions for Use, when the product is used in accordance with such Directions for Use under normal conditions of use.
