

SPECIMEN LABEL

CROP - SURF®

OIL CONCENTRATE

**KEEP OUT OF REACH OF CHILDREN
CAUTION**

Refer To Inside Of Label Booklet For Additional Precautionary Statements And Directions For Use

ACTIVE INGREDIENT:

Paraffin Base Petroleum Oil 83.0%

INERT INGREDIENTS 17.0%

Total 100.0%

Net Contents:

EPA Est. No. 1386-OH-1

Distributed by:
Universal Crop Protection Alliance® LLC

Eagan, MN 55121

DIRECTIONS FOR USE

READ THESE ENTIRE DIRECTIONS. USE STRICTLY IN ACCORDANCE WITH LABEL CAUTIONS, WARNINGS, AND DIRECTIONS. Mild skin irritation may occur with prolonged or repeated contact. If swallowed, call a physician or Poison Control Center. Do not induce vomiting since aspiration is a potential hazard. If in eyes, flush with water. If on skin, wash with soap and water. Wash clothing before reuse. For Medical Emergency information call 1-800-228-5635, extension 138.

CROP-SURF® increases the activity of pesticides and, therefore, care should be exercised when pesticide spray containing **CROP-SURF®** is applied to new varieties or highly inbred lines not previously treated with spray adjuvants. Care is recommended when sprays are applied under very hot, humid conditions or under circumstances when pesticides tend to be more active. In new uses, it is recommended that small test areas be treated before undertaking large scale applications.

MIXING – Fill spray tank 1/2 full, add desired amount of pesticide and continue filling. Add the **CROP-SURF®** last. After filling continue agitation.

IMPORTANT – REFER TO INDIVIDUAL PRODUCT LABELS FOR USE RECOMMENDATIONS AND DILUTION RATES.

CROPS	PROBLEM/SITUATION	PESTICIDE
Corn	Broadleaf Weeds and Grasses	Atrazine 80W or 4L, Laddock®, Lorox®
	Grasses	Accent®, Beacon
Cotton	Annual and Perennial Grasses	Fusilade®, Poast®

STORAGE AND DISPOSAL

Keep container closed tightly in a cool dry place. Do not allow water to be introduced to contents of this container. Avoid temperature extremes during storage.

CONTAINER DISPOSAL: Triple rinse (or equivalent). Then offer for recycling or reconditioning, or puncture and dispose of in a sanitary landfill, or incineration or, if allowed by state and local authorities, by burning. If burned stay out of smoke.

WARRANTY AND LIMITATION OF DAMAGES

Seller warrants that this material conforms to its chemical description and is reasonably fit for the purposes stated on the label when used in accordance with directions under normal conditions of use and **Buyer** assumes the risk of any use contrary to such directions. **Seller** makes no other express or implied warranty, including any other express or implied warranty of **Fitness** or of **Merchantability**, and no agent of **Seller** is authorized to do so except in writing with a specific reference to this warranty. In no event shall **Seller's** liability for any breach of warranty exceed the purchase price of the material as to which a claim is made.
