IDEAS TO GROW WITH®

FOLI-GRO®
LIQUID FOLIAR FERTILIZER

Total Nutrition System®

BOLSTER
5-21-5

GUARANTEED ANALYSIS

Total Nitrogen (N)	5.00%
4.4% Ammoniacal Nitrogen	
0.6% Urea Nitrogen	
Available Phosphate (P_2O_5)	21.000%
Soluble Potash (K_2O)	5.00%
Boron (B)	0.035%
Zinc (Zn)	0.06%

Derived From: Ammonia, Urea, Phosphoric Acid, Potassium Hydroxide, Potassium Phosphate, Boric Acid and Zinc IDS and Zinc EDTA.

ALSO CONTAINS NON-PLANT FOOD INGREDIENT: 0.3% Humic Acid derived from leonardite.

Warning: This fertilizer contains Boron. Its use on any other plants or under any other conditions other than those specified on the label may result in plant injury.

KEEP OUT OF REACH OF CHILDREN
CAUTION
PRECAUTIONARY STATEMENT
HAZARDS TO HUMANS AND DOMESTIC ANIMALS

Do not ingest. Avoid contact with skin, eyes or clothing. Avoid breathing dust, vapor or mist.

Information regarding the contents and levels of metals in this product is available on the internet at http://www.regulatory-info-we.com/

FIRST AID

In all cases, call a poison control center or doctor for further treatment advice.

IF SWALLOWED, call a poison control center or doctor immediately. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything to an unconscious person. **IF ON SKIN**, take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. **IF INHALED**, move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration. **IF IN EYES**, hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage, disposal or cleaning of equipment.

Store in a safe manner. Store in original container only and keep tightly sealed when not in use. Dispose of unused product and empty containers in accordance with Federal, State and local regulations.

GENERAL INFORMATION

FOLI-GRO® BOLSTER is designed primarily for foliar applications to prevent or correct nitrogen, phosphorous and potassium deficiencies in a wide range of agronomic and ornamental plants. Its use is suggested as a supplement to a regular, balanced fertilizer program to enhance yields and improve quality. FOLI-GRO BOLSTER is a low salt index fertilizer, contains no chloride and contains 100% ortho-phosphate.

Application of FOLI-GRO BOLSTER is a means of obtaining a quick response to needed elements. Foliar applications of FOLI-GRO BOLSTER may be particularly beneficial during periods of peak nutrient demand, for crops grown on soils having poor nutrient availability or to crops suffering from a weakened root system.

FOLI-GRO BOLSTER should be used as part of a comprehensive Total Nutrition System® for optimizing plant growth, development, yield and quality.

DIRECTIONS FOR USE

FOLI-GRO® BOLSTER may be applied as a foliar spray by air, ground concentrate or dilute. Maintain agitation to provide uniform distribution within spray tank. Use of a high quality CPDA approved spreader at recommended rates to improve spray cover is usually advised. Do not apply when plants are under excessive heat or moisture stress. Applications of foliar nutrients to leafy vegetables or soft-skinned fruits during periods of excessive temperatures may cause cosmetic injury. Applications of certain micronutrients to fleshy fruits within 30 days of harvest may result in staining of rind or skin.

FOLI-GRO® BOLSTER may be applied to soil or directly in seed row at time of planting (pop-up). Avoid direct application to seed on very dry soil if no rainfall or irrigation is to follow with 24 hours. For low rate pop-up applications dilution with water may aid in field calibration, depending on application equipment.

Foliar Applications:

Alfalfa: 1-8 quarts after re-growth between cuttings on alfalfa.

Corn: 1-8 quarts .

Field Crops: 1-8 quarts per acre prior to or during crop peak phosphate demand.

Legumes: 1-8 quarts per acre at pre-bloom to 10% bloom.

Potatoes: 1-8 quarts at 7-10 day intervals.

Small Grains: 1-8 quarts per acre just prior to peak demand of phosphate needs.

Soil Applications. FOLI-GRO® BOLSTER is a premium quality, low salt index fertilizer that can be applied to seeded crops at the rates suggested here. Apply to seed zone at the time of planting.

Canola: 2-3 gallons per acre.

Corn: 2-4 gallons per acre.

Dry Beans: 2-3 gallons per acre.

Flax: 2-3 gallons per acre.

Legumes: 2-3 gallons per acre.

Potatoes: 3-5 gallons per acre.

Soybeans: 3-4 gallons per acre.

Sugar Beets: 2-3 gallons per acre.

Sunflowers: 2-3 gallons per acre.

Small Grains: 2-3 gallons per acre.

COMPATIBILITY

Always jar test new combinations for compatibility prior to field mixing.

For chemical spills, leaks, fire or exposure, call CHEMTREC: (800) 424-9300.

Conditions of Sale and Limitation of Warranty and Liability:

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using the product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of the product should be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of many different factors including, without limitation, manner of use or application, weather, combination with other products, or crop conditions. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Manufacturer and Seller harmless from any claims relating to such factors.

Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FURNISHED "AS-IS," AND NEITHER SELLER NOR MANUFACTURER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SELECTION, PURCHASE OR USE OF THIS PRODUCT; SELLER AND MANUFACTURER SPECIFICALLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Buyer and User accept all risks arising from any use of this product, including without limitation uses contrary to label instructions, under abnormal conditions, or under conditions not reasonably foreseeable to (or beyond the control of) Seller or Manufacturer.

To the extent permitted by law, neither Manufacturer nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE EXCLUSIVE LIABILITY OF MANUFACTURER AND SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT, OR, AT THE ELECTION OF MANUFACTURER OR SELLER, THE REPLACEMENT OF THE PRODUCT.

These Conditions of Sale and Limitation of Warranty and Liability shall be interpreted in accordance with the laws of the State of California, excluding its conflicts of laws rules, and may not be amended by any oral or written agreement.
