

Natural Fertility & Soil Amendment Products

ProNatural®

MAGNESIUM

A Complexed Micronutrient

ProNatural MAGNESIUM is manufactured and designed as a soil and foliar nutrient and to prevent or correct trace element deficiencies that usually occur when plants are small and may limit crop growth and yields. **ProNatural** MAGNESIUM is readily available and rapidly absorbed by the plant because of the natural complexing properties. It is designed for foliar, row, or broadcast application. It is water soluble and non-toxic to plants when applied as directed.

ProNatural MAGNESIUM is a yield enhancing formulation that contains amino complexed magnesium.

ProNatural MAGNESIUM is a proprietary formulation that has been specially reacted with emulsion polymerization that provides a wide range of mixing ease with other fertilizers or chemicals.

GUARANTEED ANALYSIS

Magnesium (Mg)..... 2.0%

2.0% Complexed Magnesium

(Derived from magnesium amino acid complex)

Information regarding the contents and levels of metals in this product is available on the internet at <http://www.regulatory-info-we.com/>

Shake Well Before Using. Keep From Freezing.

COMPATIBILITY: Always jar test new combinations for compatibility prior to field mixing.

DIRECTIONS FOR USE

Dilute one part **ProNatural** MAGNESIUM with 20 or more parts water. Apply using a spray method and in an adequate amount of water that will provide complete coverage of the plants. Use of a nonionic wetting agent may improve spray coverage of certain hard to wet plants. **Do Not Apply Undiluted.**

ProNatural MAGNESIUM can be included in a regular spray program on crops. Consult with a Wilbur-Ellis representative on compatibility with other spray materials. The rate of application will depend on the crop, stage of growth, and severity of deficiency. The maximum recommended rates are for mature, full sized plants. Reduce the rates proportionately when spraying smaller plants.

ProNatural MAGNESIUM may be used on legumes, grain crops, root crops, cucurbits, cole crops, leafy vegetables, woody and herbaceous ornamentals, deciduous fruits, vine crops, tropical and subtropical fruits, and many other crops.

DIRECTIONS FOR USE (continued)

Alfalfa: Apply 2 to 16 fl. oz. per acre during periods of first growth and after first cutting at 4th to 6th leaf stage. The applications may be repeated 2 or more times through the growing season.

Beans: Apply 2 to 16 fl. oz. per acre at first cultivation and 12 to 14 days before blossoming.

Fruit Trees: Apply 8 to 80 fl. oz. per acre before blossoming and shortly after petal fall.

Potatoes: Apply 2 to 10 fl. oz. per acre at row closure. Application should be applied during periods of rapid growth or nutritional stress. Applications may be repeated 2 or more times through growing season.

Rice: Apply 2 to 16 fl. oz. per acre just before booting.

Wheat: Apply 2 to 16 fl. oz. per acre when plants are 6" high and 12 to 14 days before booting.

FIRST AID

In all cases, call a poison control center or doctor for further treatment advice.

IF SWALLOWED, call a poison control center or doctor immediately. Have person sip a glass of water if able to swallow. Do not induce vomiting unless told to by a poison control center or doctor. Do not give anything to an unconscious person. **IF ON SKIN,** take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. **IF INHALED,** move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration. **IF IN EYES,** hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.

STORAGE AND DISPOSAL

Do not contaminate water, food or feed by storage, disposal or cleaning of equipment.

Store in a safe manner. Store in original container only and keep tightly sealed when not in use. Dispose of unused product and empty containers in accordance with Federal, State and local regulations.

Conditions of Sale and Limitation of Warranty and Liability:

NOTICE: Read the entire Directions for Use and Conditions of Sale and Limitation of Warranty and Liability before buying or using this product. If the terms are not acceptable, return the product at once, unopened, and the purchase price will be refunded.

The Directions for Use of the product should be followed carefully. It is impossible to eliminate all risks inherently associated with the use of this product. Crop injury, ineffectiveness, or other unintended consequences may result because of many different factors including, without limitation, manner of use or application, weather, combination with other products, or crop conditions. All such risks shall be assumed by Buyer and User, and Buyer and User agree to hold Manufacturer and Seller harmless from any claims relating to such factors.

Seller warrants that this product conforms to the chemical description on the label. EXCEPT FOR THIS WARRANTY, THE PRODUCT IS FURNISHED "AS-IS," AND NEITHER SELLER NOR MANUFACTURER MAKES ANY OTHER WARRANTIES, EXPRESS OR IMPLIED, WITH RESPECT TO THE SELECTION, PURCHASE OR USE OF THIS PRODUCT; SELLER AND MANUFACTURER SPECIFICALLY DISCLAIM ANY WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Buyer and User accept all risks arising from any use of this product, including without limitation uses contrary to label instructions, under abnormal conditions, or under conditions not reasonably foreseeable to (or beyond the control of) Seller or Manufacturer.

To the extent permitted by law, neither Manufacturer nor Seller shall be liable for any incidental, consequential or special damages resulting from the use or handling of this product. THE EXCLUSIVE REMEDY OF THE BUYER OR USER, AND THE EXCLUSIVE LIABILITY OF MANUFACTURER AND SELLER, FOR ANY AND ALL CLAIMS, LOSSES, INJURIES OR DAMAGES (INCLUDING CLAIMS BASED ON BREACH OF WARRANTY, CONTRACT, NEGLIGENCE, TORT, STRICT LIABILITY OR OTHERWISE) RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT, SHALL BE THE RETURN OF THE PURCHASE PRICE OF THIS PRODUCT, OR, AT THE ELECTION OF MANUFACTURER OR SELLER, THE REPLACEMENT OF THE PRODUCT.

These Conditions of Sale and Limitation of Warranty and Liability shall be interpreted in accordance with the laws of the State of California, excluding its conflicts of laws rules, and may not be amended by any oral or written agreement.
