

# 28-5-18

## Water Soluble Fertilizer

### FEATURES & USE TIPS:

- Specially formulated for bentgrass greens.
- The nitrogen produces rapid greening while the phosphorus and high level of potassium help develop sturdy root systems to help minimize the impact of stressful conditions on turf.
- For use on both turf and landscape areas.
- Rapid greening without long residue.
- Quick potassium uptake for rapid stress response enhancement
- High solubility of micronutrients to ensure no tank residue
- Spoon feeding of high soluble potassium ensures consistent tissue potassium content.

### PRODUCT SPECIFICATIONS:

<b>N - (28%):</b>	4.3% nitrate nitrogen 23.7% urea nitrogen
<b>P - as P<sub>2</sub>O<sub>5</sub> - (5%):</b>	Monopotassium phosphate
<b>K - as K<sub>2</sub>O - (18%):</b>	Potassium nitrate
<b>B (0.02%):</b>	Boron
<b>Cu (0.07%):</b>	Copper
<b>Fe (0.10%):</b>	Iron
<b>Mn (0.05%):</b>	Manganese
<b>Zn (0.05%):</b>	Zinc

Following is a specimen label that may at some point be revised or otherwise become out of date. It is intended as a guide in providing general information regarding the use of this product. Always read and follow the label on the product container.

**PRODUCT SHEET**

### PRODUCT CODE:

**AGC84528**

Date: 012510  
Supersedes: 072103  
Label: G9

### PRODUCT CHARACTERISTICS:

**Product Type:**  
Water Soluble  
Fertilizer

**Nitrogen Type:**  
Urea

**Net Weight:**  
25 lbs.

**Coverage:**  
1 acre

### DIRECTIONS FOR USE

Apply only as directed. Apply during the growing season.

### Dilution Information:

Determine desired application rate and the intended dilution. Add half of the total water to the tank. Activate sprayer agitator mechanism. Measure the appropriate volume of fertilizer concentrate and add to the spray tank. Water temperature will affect dissolution rate. Bring spray tank to total volume with water. Test compatibility before adding to the spray tank with other products. If tank mixing with pesticides, follow published guidelines for compatibilities and the order of chemical additions.

**TURF:** For use on all turfgrasses on golf course putting greens, tees, fairways, lawns, commercial grounds and other turf areas. Time of

application and dosage rate depend on use, turfgrass species and weather conditions. Recommended rate is between one and two bags per acre mixed with no less than 100 gallons of water. 100 gallons of water per acre is equal to 2.3 gals. per 1,000 sq. ft.

**TREES & SHRUBS:** Two to three pounds of nitrogen per 1,000 sq. ft. per year are recommended for maintenance of landscape trees and shrubs. For best results, apply these levels of nitrogen over several applications made during the growing season. A minimum of 25 gallons of water per 1000 sq. ft. is recommended for this application.

**FLOWER BEDS:** Dissolve 8-10 oz. of fertilizer per 25 gals. of water or 1 tbsp. fertilizer per gallon of water. Apply 1-2 qts. of this solution per square foot of planted ground area for a thorough soaking of the soil. Repeat applications every 7-14 days.

FERTIGATION RATES (Pounds of Product per 100 gallons of Water)				
Injector Ratio	25PPM-N	50PPM-N	75 PPM-N	100PPM-N
1:100	7.5	15.1	22.6	30.13
1:50	3.6	7.6	11.3	15.1
1:30	2.3	4.5	6.8	9.0
Maximum solubility: 3 Lbs. 6 oz./gallon in warm water				

### STORAGE AND USE

Store in a clean, dry place.  
Reseal opened bag by folding top down and securing.  
Use only in clean, dry spreaders.  
Do not leave unused product in spreaders.

### IMPORTANT: READ BEFORE USE:

Read the entire Directions for Use and the Warranty Disclaimer and Limitation of Liability before using this product. If terms are not acceptable, return the unopened product container at once. By using this product, user or Buyer accepts the following Warranty Disclaimer and Limitation of Liability:

### WARRANTY DISCLAIMER and LIMITATION of LIABILITY:

Manufacturer warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes stated on the label when used in strict accordance with the directions. Manufacturer makes NO OTHER EXPRESS OR IMPLIED WARRANTY OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. To the extent consistent with applicable law, it is Manufacturer's intent to LIMIT ANY LIABILITY FOR SPECIAL, CONSEQUENTIAL OR INCIDENTAL ECONOMIC DAMAGES to refund of purchase price or replacement of product, at Buyer's choice. To the extent consistent with applicable law, Manufacturer DISCLAIMS ANY LIABILITY FOR COMPENSATORY OR OTHER DAMAGES ARISING OUT OF ANY USE CONTRARY TO LABEL DIRECTIONS. Use contrary to label directions is not permitted.

### LEGAL RIGHTS:

THIS LIMITED WARRANTY GIVES YOU SPECIFIC LEGAL RIGHTS; YOU MAY HAVE OTHER RIGHTS THAT VARY FROM STATE/ JURISDICTION TO STATE/JURISDICTION.
