

BIG FOAM™

premium marking foam

PRINCIPAL FUNCTIONING AGENTS

A proprietary blend of water conditioners, anionic and nonionic foaming agents..... 100%

**CAUTION: KEEP OUT OF REACH OF CHILDREN.
FLAMMABLE.**

PRECAUTIONARY STATEMENTS

Before using this product, read the entire label, including the condition of sale. Keep away from excessive heat and all ignition sources. Irritation will result from prolonged contact with skin and/or eyes.

PERSONAL PROTECTION EQUIPMENT (PPE)

Applicators or other handlers of this chemical must wear: long-sleeved shirt, pants, shoes and socks, chemical-resistant gloves, and splash-proof chemical safety goggles. Consult the MSDS for further information.

STATEMENT OF PRACTICAL TREATMENT

If Swallowed: Dilute by drinking water. Do not induce vomiting or give anything by mouth to an unconscious person. Seek medical attention immediately.
If In Eyes: Flush with water for at least 15 minutes. Seek medical attention immediately.
If On Skin: Wash skin contact area with large amounts of soap and water for 15 minutes. If irritation persists, seek medical attention immediately.
If Inhaled: Remove to fresh air. If not breathing, give artificial respiration. If breathing is difficult, give oxygen. Seek medical attention immediately.

GENERAL INFORMATION

BIG FOAM generates long-lasting foam under the widest range of conditions, including water hardness and high temperatures. BIG FOAM is dye tolerant and contains optical brighteners for increased visibility.

DIRECTIONS FOR USE

FOR USE IN AGRICULTURAL, FORESTRY, INDUSTRIAL, NONCROPLAND, RIGHTS-OF-WAY, AND OTHER APPROPRIATE AREAS.

Thoroughly clean and neutralize application unit foam tank with an approved foam tank cleaner prior to using BIG FOAM for the first time.
SHAKE WELL BEFORE USING.

USE RATES

Use BIG FOAM at 1 pint per 10 gallons of water (80:1 water to BIG FOAM dilution). Extreme water hardness or cold temperatures may require an increased use rate of BIG FOAM. Conversely, ideal conditions may warrant a decrease in use rate.

STORAGE AND DISPOSAL

Avoid exposure to excessive heat and ignition sources. Store in original container only. Protect product from freezing. If product freezes, warm to room temperature before use. Prevent water from being introduced into the contents of this package. Do not reuse empty container and dispose of it in accordance with federal, state and local regulations.

CONDITION OF SALE

Our recommendations for use of this product are based upon tests believed reliable. Follow directions carefully. Timing and method of application, weather and crop conditions, mixtures with other chemicals not specifically recommended, and other influencing factors in the use of this product are beyond the control of the Seller.

In no case shall the Seller be liable for consequential, special or indirect damages resulting from the use of handling of this product when such use and/or handling of this product is not in strict accordance with directions given herewith. The foregoing is a condition of sale by Seller and is accepted as such by the Buyer.
