

HUMA BURST

GUARANTEED ANALYSIS

Total Humic Acid (HA) 70.00%

Derived from oxidized lignite (leonardite). All components are natural-occurring materials.

DIRECTIONS FOR USE

Apply 40-100 lbs per acre broadcast either by air or ground machine. **HUMA BURST** can be applied to all soil types, ornamentals, lawns, gardens and landscapes. **HUMA BURST** can be mixed with most fertilizers.

CAUTION: Avoid mixing with high moisture fertilizers such as Urea.
Also avoid spreading during high humidity.

This fertilizer is intended as a supplement to a regular fertilization program and will not, by itself, provide all the nutrients normally required by agricultural crops.

Conditions of sale:

The information contained on this label is believed to be accurate and reliable. Buyer and user acknowledge and assume all liability resulting from the use of this material. Follow directions carefully. Timing, method of application, weather, crop conditions and other factors are beyond the control of the seller.

CAUTION: KEEP OUT OF REACH OF CHILDREN
