

Fomark™

Fomark™ Foam Marking Agent

Principal Functioning Agents

Proprietary blend of active foam agents.....	100.0%
Total.....	100.0%

All ingredients are exempt from the requirements of a tolerance as specified in 40 CFR 180.

KEEP OUT OF REACH OF CHILDREN WARNING

Hazard Statements

- May be harmful in contact with skin.
- Causes skin irritation.
- Causes serious eye irritation.
- Combustible liquid.

Precautionary Statements

- Wash thoroughly after handling.
- Wear protective gloves/eye/face protection.
- Keep away from heat/sparks/open flames/hot surfaces.
- No smoking.
- IF IN EYES: Rinse continuously with water for several minutes.
- Remove contact lenses if present and easy to do; continue rinsing.
- If eye irritation persists, get medical advice/attention.
- IF ON SKIN: Wash with plenty of soap and water.
- If skin irritation occurs, get medical advice/attention.
- Remove/take-off immediately all contaminated clothing and wash before reuse.
- IN CASE OF FIRE: Stop leak if safe to do so.

First Aid

Call a poison control center or doctor immediately for treatment advice.

If Swallowed: Have the person sip a glass of water if able to swallow. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible.

If in Eyes: Hold eye open and rinse slowly and gently with water for 15 to 20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. If eye irritation persists, get medical advice/attention.

If on Skin or Clothing: Rinse skin immediately with plenty of soap and water for 15 to 20 minutes. If skin irritation occurs, get medical advice/attention. Remove/take-off immediately all contaminated clothing and wash before reuse.

General Information

Fomark is a highly concentrated, complex blend of foaming agents and foam enhancing additives.

Fomark produces a dense, readily visible foam that is designed to be compatible with a wide range of water hardness and temperature conditions.

Designed for use with both pressurized and non-pressurized foam marker equipment, Fomark is ideal for agricultural, turf or soil field marking applications.

Fomark helps eliminate costly gaps and overlaps which can occur during the application of fertilizers or pesticides.

Fomark is economical to use and is the quality standard by which most foam marking agents are judged.

Directions For Use

Depending upon water hardness and temperature, Fomark may be used at dilutions ranging from 100:1 to 80:1.

For most water conditions: Add one gallon of Fomark for every 100 gallons of water (100:1). This dilution rate will normally provide sufficient foam for most water conditions.

For extremely hard water, (1,000 parts per million hardness or greater): Add one gallon of Fomark for every 80 gallons of water (80:1).

Color additives can be used with Fomark to enhance visibility. The use of foam colorant additives may require the 80:1 use rate.

Best results are achieved when foam generating tanks are clean and free of other chemicals before adding Fomark.

Combining foaming agents, or use without proper cleaning of equipment, may reduce effectiveness.

Storage and Disposal

Do not contaminate water, food, or feed by storage or disposal.

Storage: DO NOT ALLOW PRODUCT TO FREEZE! Store above 45°F. Store away from heat or open flame and oxidizing materials. Keep in a well-ventilated space. Keep cool. Keep container tightly closed.

Disposal: Wastes resulting from this product may be disposed of on site or at an approved waste disposal facility. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit www.acrecycle.org. Dispose of contents/container in accordance with local/national regulations.

Environmental Hazards

Do not contaminate water sources by cleaning of equipment or disposal of wastewaters.

DO NOT ALLOW PRODUCT TO FREEZE!

CONDITIONS OF SALE, LIMITED WARRANTY, AND LIMITATIONS OF LIABILITY AND REMEDIES

Read the Conditions of Sale – Warranty and Limitations of Liability and Remedies before using this product. If the terms are not acceptable, return the product, unopened, and the full purchase price will be refunded. The directions of this label are believed to be reliable and should be followed carefully. Insufficient control of pests and/or injury to crop to which the product is applied may result from the occurrence of extraordinary or unusual weather conditions or the failure to follow the label directions or good application practices, all of which are beyond the control of KALO, Inc., the manufacturer or seller. In addition, failure to follow label directions may cause injury to crops, animals, workers or the environment. The Company warrants that this product conforms to the chemical description on the label and is reasonably fit for the purpose referred to in the directions for use subject to the factors noted above which are beyond the control of the Company. The Company makes no other warranties or representations of any kind express or implied concerning the product, including no implied warranty of merchantability or fitness for any particular purpose, and no such warranty shall be implied by law. The exclusive remedy against the Company for any cause of action relating to the handling or use of this product shall be limited to, at KALO, Inc.'s election, one of the following:

1. Refund of the purchase price paid by buyer or user for product purchased, or,
2. Replacement of the product used.

To the extent allowed by law, the Company shall not be liable and any and all claims against the Company are waived for special, indirect, incidental, or consequential damages or expense of any nature, including, but not limited to, loss of profits or income. The Company, the manufacturer and seller offer this product and the buyer and user accept it, subject to the foregoing conditions of sale and limitation of warranty, liability and remedies.
