WA Reg. No. 39303-50004

McGREGOR

CROP OIL M™

Crop Oil Concentrate

KEEP OUT OF REACH OF CHILDREN WARNING

Causes mild skin irritation.
Causes eye irritation.

Precautionary Statements

Wash thoroughly after handling. Wear protective gloves, eye and face protection. If on skin: Wash with plenty of soap and water. If in eyes: Rinse continuously with water for several minutes. Remove contact lenses if present and easy to do; continue rinsing. Take off contaminated clothing and wash before reuse. Avoid breathing fumes, mist, vapors and spray.

Storage and Disposal

Do not contaminate water, food, or feed by storage and disposal.

Storage: Store between 40°F and 120°F. Store at ambient temperature. Store in a closed container.

Disposal: Do not reuse empty container. Triple rinse or equivalent during mixing and loading. Recycling decontaminated containers is best option for disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler, visit www.acrcycle.org. Decontaminated containers may also be disposed of in a sanitary landfill. Dispose of contents and container in accordance with local/national regulations.

General Information

Crop Oil M is a high performance surfactant/oil blend designed for use with certain herbicides, fungicides and desiccants to enhance pesticide performance.

Crop Oil M should be used where uniform coverage of the spray is required.

Crop Oil M is compatible for use with fertilizer solutions.

First Aid

If in Eyes: Hold eyes open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing eye. Always call a poison control center or doctor for treatment advice.

If on Skin or Clothing: Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes. Call a poison control center or doctor for treatment advice.

If Swallowed: Immediately call a poison control center or doctor for treatment advice. Do not give any liquids to the person. Do not induce vomiting unless told to do so by a poison control center or doctor. Do not give anything by mouth to an unconscious person.

If Inhaled: Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably by mouth-to-mouth, if possible. Call a poison control center or doctor for further treatment advice.

Mixing Instructions

Before using Crop Oil M, read the entire pesticide label to be tank mixed. All instructions on the pesticide label must be followed. Fill 1/2 of spray tank with water, add the desired amount of pesticide along with other ingredients and continue filling. Add correct amount of Crop Oil M as the last component and continue agitation.

Directions For Use

Before using Crop Oil M, always read and follow all label directions, mixing instructions and precautionary statements of the pesticide label that is to be tank mixed with this product. Since Crop Oil M increases the activity of pesticide products, care should be exercised in applying on sensitive crops during high temperature and high humidity conditions. The use of test areas is recommended if these conditions prevail. Certain pesticide labels have recommended adjuvant use rates. In all cases, the pesticide label should be consulted regarding specific adjuvant use. Crop Oil M is not for aquatic use.

Use Rates for Ground or Aerial: Use 0.5 to 4 pints per acre.

Do not exceed 2.50% volume to volume concentration, or at rates recommended by the pesticide label, for crop oil concentrates.

The above use recommendations are considered to be adequate for most applications. Consult your local and state agricultural authorities for information regarding specific use recommendations or application procedures.

Not For Aquatic Use

NOTICE: READ CAREFULLY

Limited Warranty and Disclaimer

The Manufacturer warrants only that the chemical composition of this product conforms to the ingredient statement given on the label, and that the product is reasonably suited for the labeled use when applied according to the Directions for Use. Neither Manufacturer or Seller makes any other express or implied warranties, including without limitation, the implied warranty of merchantability or fitness for a particular purpose, all of which are expressly disclaimed. Any damages arising from a breach of the Manufacturer's warranty shall be limited to direct damages, shall not include indirect or consequential damages such as loss of profits or values, and shall not, in any event, exceed the purchase price of this package of product. This Limited Warranty does not extend to the use of the product inconsistent with the label instructions, warnings or cautions, or use of the product under abnormal conditions such as drought, excessive rainfall or other weather conditions or factors that are beyond the control of the Manufacturer and/or the Seller. Any written or verbal statements or agreements cannot vary the terms of this Limited Warranty and Disclaimer. No employee or agent of the Manufacturer or Seller is authorized to vary or exceed the terms of this Limited Warranty and Disclaimer in any manner.
