

AgriCal®

Product Information

Agri-Cal® liquid calcium presents growers with an alternative solution to lime applications. **Agri-Cal®** is intended as a supplement only and should be used in conjunction with a standard fertility program.

Directions for Use

Agri-Cal® can be applied through conventional ground equipment, aerial application, or through properly equipped irrigation systems.

Agri-Cal® can be tank mixed with most soil applied herbicides and liquid fertilizer solutions that do not contain phosphorus. No extra trips across the field are generally needed. Always do a jar test to ensure compatibility.

SOIL APPLICATION: 2 to 5 gallons **Agri-Cal®** per acre at pre-plant or pre-emerge.

FOLIAR APPLICATION: 1 to 3 gallons per acre. Use minimum of ten parts water to one part **Agri-Cal®**.

To enhance Nitrogen stabilization **Agri-Cal®** should be used at 2 to 5 gallons per acre with all Liquid N applications.

Mixing Instructions

1. Put 1/3 water in tank.
2. Add correct amount of **Agri-Cal®**.
3. Add other chemicals or fertilizers, if any.
4. Fill tank with balance of water and agitate until mixed.

Store out of direct sunlight.

Shake well before using.

As with any Agri-Chemical, do a compatibility check to insure proper mixing.

! WARNING

To avoid the formation of insoluble precipitates, do NOT mix with materials containing Phosphates or Sulfates. Do NOT mix with any Round-Up® type herbicides (Glyphosate based).

Guaranteed Analysis

Calcium (Ca)..... 10%

Derived from: Calcium Chloride

CAUTION!
KEEP OUT OF REACH OF CHILDREN
 Do not swallow. Store below 120 degrees F.

Conditions of Sale, Limitation of Warranty & Liability.

Limitation of Liability: In no event shall seller or manufacturer be liable for special, incidental or consequential damages, or for damages in the nature of penalties. Seller or manufacturer shall not be liable to buyer, by way of indemnification to customer or buyer, if any, for any damages, sums or money, claims or demands whatsoever, resulting from or by reason of, or rising out of the misuse or the failure to follow label warnings or instructions for use of the goods sold by the seller or manufacturer to buyer. Buyer's or user's exclusive remedy and seller's or manufacturer's total liability shall be for damages not exceeding the cost of the product.

Warranty Disclaimer: Ineffectiveness or other unintended consequences may result because of such factors as presence of other materials or the manner of use or application, all of which are beyond the control of the seller or manufacturer. In no case shall seller or manufacturer be liable for consequential, special or indirect damages resulting from the use or handling of this product. All such risks shall be assumed by the buyer or its customers. Tests have not been carried out under all possible conditions and seller or manufacturer cannot and does not warrant that the products are compatible with all other chemicals. Seller or manufacturer warrants the material is adequately contained, packaged and labeled and conforms to the affirmation of fact made on the container and label. Seller or manufacturer makes no other warranties, guarantees, or representations of any kind, either expressed or implied, or by use of trade, statutory or otherwise, with-regard to the product sold, including, but not limited to merchantability, fitness for a particular purpose, use or eligibility of the product for any particular trade usage.

Agri-Gro®, Inc. and Seller offer this product, and Buyer and User accept it, subject to the foregoing conditions of sale or limitations of warranty and of liability, which may not be modified except by written agreement signed by a duly authorized representative of Agri-Gro®, Inc.
