

# TRAIL HEAD™

DEPOSITION AID • DRIFT CONTROL AGENT

**PRINCIPAL FUNCTIONING AGENTS:**

Methyl esters of fatty acids, paraffinic hydrocarbons and fatty acids .....	99.00%
Constituents Ineffective as a Spray Adjuvant .....	1.00%
<b>TOTAL:</b> .....	<b>100.00%</b>

TOXICITY END POINTS FOR THIS PRODUCT EXCEED GHS CLASSIFICATION; IT IS LABELED UNDER PREVIOUS REGULATIONS.

**KEEP OUT OF REACH OF CHILDREN  
CAUTION**

**NET CONTENTS: 2.5 Gal (9.46 L)**

**TOXICITY END POINTS FOR THIS PRODUCT EXCEED GHS  
CLASSIFICATION; IT IS LABELED UNDER PREVIOUS REGULATIONS.**

**PRECAUTIONARY STATEMENTS**

**CAUTION:** May cause skin irritation. Avoid contact with skin, eyes or clothing. **DO NOT** take internally. Wear chemical resistant eyewear and gloves, long sleeve shirt and pants and shoes and socks. Wash thoroughly with soap and water after handling and before eating, drinking, chewing gum, or using tobacco.

**FIRST AID**

**Call a poison control center or doctor immediately for treatment advice. IF ON SKIN OR CLOTHING:** Take off contaminated clothing. Rinse skin immediately with plenty of water for 15-20 minutes.

**IF IN EYES:** Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses if present, after the first 5 minutes, then continue rinsing eye. Have the product container with you when calling a poison control center or doctor, or going for treatment.

**IF SWALLOWED:** Have person sip a glass of water if able to swallow. **DO NOT** induce vomiting unless told to do so by a poison control center or doctor. **DO NOT** give anything by mouth to an unconscious person.

**IF INHALED:** Move person to fresh air. If person is not breathing, call 911 or an ambulance, then give artificial respiration, preferably mouth to mouth if possible.

**PRODUCT INFORMATION**

*TRAIL HEAD™* is used as a spray adjuvant to improve deposition of spray droplets. *TRAIL HEAD* improves spreading and reduces the production of fine droplets which are susceptible to movement from the spray pattern. The degree of drift hazard varies with the type of pesticide, application conditions and the vegetation near sprayed area. This product is intended as a management tool to reduce drift and improve deposition. Common sense and sound application technology must be followed when spraying pesticides. *TRAIL HEAD* does not produce large spray droplets like some polymer drift products. Internal cohesion of the components help prevent droplets shearing into fines which move off target.

**DIRECTIONS FOR USE**

*TRAIL HEAD* is intended for use with a wide variety of pesticides and sites including but not limited to agricultural crops, aquatic, forestry, industrial, non-crop, right-of way and turf and ornamental. *TRAIL HEAD* may be used in conventional spray equipment both ground and aerial. *TRAIL HEAD* is suitable for use with in-line injection mixing systems and air assisted nozzles.

**APPLICATION OR USE RATES**

Determine proper rate of product based on type of application and type of formulation being used. **DO NOT** exceed 1% v/v of the spray solution. Product should be the last additive prior to completely filling the spray tank with water.

SUGGESTED USE RATES:	VOLUME TO VOLUME
	0.25% - 0.50%

The addition of an adjuvant to some pesticides, pesticide combinations, and/or fertilizers may cause phytotoxicity to the foliage and/or fruit of susceptible crops or non-targeted vegetation. Prior to the addition of the product to a spray tank mix, the user or application advisor must have experience with the combination and/or must have conducted a jar test for compatibility.

**MIXING**

*TRAIL HEAD* may be mixed with pesticides in conventional spray equipment but should be the last additive prior to completely filling the spray tank with water. *TRAIL HEAD* may be applied through direct injection systems. If tank space is limited, *TRAIL HEAD* may be premixed with Emulsifiable Concentrates. *TRAIL HEAD* may be premixed with aqueous base formulations such as glyphosate but a compatibility jar test should be conducted with the formulation being used.

**STORAGE AND DISPOSAL**

Store in a cool, dry place. Keep in original container tightly closed. **DO NOT** reuse empty container. **DO NOT** contaminate water sources by run-off from cleaning of equipment, disposal of rinse waters or spray mixtures. Triple rinse (or equivalent) during mixing and loading. Recycling decontaminated containers is the best option of container disposal. The Agricultural Container Recycling Council (ACRC) operates the national recycling program. To contact your state and local ACRC recycler visit the ACRC web page at: [www.acrcycle.org](http://www.acrcycle.org).

**WARRANTY**

The directions for use of this product reflect the opinion of experts based on field use and tests. The directions are believed to be reliable and should be followed carefully. However, it is impossible to eliminate all risks inherently associated with use of this product. Crop injury, ineffectiveness or other unintended consequences may result because of such factors as weather conditions, presence of other materials, or use of the product in a manner inconsistent with its labeling, all of which are beyond the control of ALTITUDE CROP INNOVATIONS LLC or the Seller. All such risks shall be assumed by the Buyer.

ALTITUDE CROP INNOVATIONS LLC warrants that this product conforms to the chemical description on the label and is reasonably fit for the purposes referred to in the Directions for Use, subject to the inherent risks referred to above.

**ALTITUDE CROP INNOVATIONS LLC. MAKES NO OTHER EXPRESS OR IMPLIED WARRANTY OF FITNESS OR MERCHANTABILITY OR ANY OTHER EXPRESS OR IMPLIED WARRANTY. IN NO CASE SHALL ALTITUDE CROP INNOVATIONS LLC. OR THE SELLER BE LIABLE FOR CONSEQUENTIAL, SPECIAL OR INDIRECT DAMAGES RESULTING FROM THE USE OR HANDLING OF THIS PRODUCT. ALTITUDE CROP INNOVATIONS LLC.** and the Seller offer this product, and the Buyer and the User accept it, subject to the foregoing Conditions of Sale and Warranty, which may be varied only by agreement in writing signed by a duly authorized representative of ALTITUDE CROP INNOVATIONS LLC.
