

Nutricor®

5-4-4 plus 3% Sulfur

GUARANTEED ANALYSIS

Total Nitrogen (N).....5.0%
5.0% Urea Nitrogen
Available Phosphate (P₂O₅).....4.0%
Soluble Potash (K₂O).....4.0%
Sulfur (S)3.0%
3.0% Combined Sulfur (S)
Derived from urea, phosphoric acid, potassium hydroxide and sulfuric acid.

F 1980
Density: 10.36 lbs./gal. at 68° F

Solutions 4Earth, LLC. All rights reserved.

Net Contents: 2.5 gal. / 9.5 L
Net Weight: 25.9 lbs. / 11.8 kg

MIX WELL BEFORE USING

Directions For Use: Nutricor can be applied in-furrow, directly on roots, on soil adjacent to plants or as a foliar spray. Compatible with most herbicides, pesticides, fungicides and wetting agents, Nutricor can be used with the Solutions 4Earth family of products to tailor nutritional inputs for a wide range of agricultural crops. Always check compatibility before use.

Application Methods	Minimum Dilution Rate Nutricor : Water	Application Rate
In-Furrow	1 : 2	2 to 5 gallons/acre
Root Drench	1 : 9	2 to 6 gallons/acre
Side Dressing	1 : 2	1 to 3 gallons/acre
Foliar	1 : 9 or as needed to achieve coverage	1 to 3 gallons/acre
Alfalfa: break in dormancy between cuts & post-harvest	1 : 9 or as needed to achieve coverage	1 to 4 gallons/acre

Soil & Root Application: Place Nutricor as close to the seed, planted seedling, or rooted cutting as possible. Irrigate after application if necessary and as thoroughly as practical. For dryland applications, more dilute solutions achieve better results.

Foliar Application: Nutricor can be applied to most agricultural crops using a dilution of at least nine parts water to one part Nutricor. More dilute solutions may be required to obtain thorough coverage or to avoid damage to sensitive crop types.

Danger. Harmful if swallowed.
Causes severe skin burns and eye damage.
May damage fertility or the unborn child.

PRECAUTIONARY STATEMENTS

Prevention

- Wash face, hands and any exposed skin thoroughly after handling.
- Do not eat, drink or smoke when using this product.
- Wear eye/face protection.
- Do not breathe dust/fume/gas/mist/vapors/spray.
- Do not handle until all safety precautions have been read and understood.
- Use personal protective equipment as required.

General Advice

- Immediately call a poison control center or doctor.
- See below for specific treatment.

Eyes

- IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing.

Skin

- IF ON SKIN (or hair): Immediately remove all contaminated clothing. Rinse skin with water/shower.
- Wash contaminated clothing before reuse.

Inhalation

- IF INHALED: Remove victim to fresh air and keep at rest in a position comfortable for breathing.

Ingestion

- IF SWALLOWED: Call a poison control center or doctor if you feel unwell.
- Rinse mouth.
- Do NOT induce vomiting.

Storage and Disposal

- Store locked up in original, labeled container and keep sealed.
- Do not store in direct sunlight for extended periods or allow to freeze.
- Dispose of contents/container to an approved waste disposal facility.
